Subject: HOW PUBLIC ENTITIES APPLY FOR DISASTER ASSISTANCE FOR STORM SANDY

For your information:

State Agencies, Municipalities, Special Districts, and Private Non-profits who provide government related services apply for the Public Assistance Program.

Registering for Public Assistance is done by filing an Request for Public Assistance form, RPA. This process will commence in a few weeks once we have sorted out all add on counties and categories of Public Assistance work the Governor will be requesting based on the extent of damage CT sustained.

DEMHS and FEMA will be conducting applicant briefings in each of the Declared Counties. During these briefings I will cover details on the application process are provided to Municipalities, Special Districts, and Private Non-profits who provide government related services.

Potential Public Assistance applicants should watch for an announcement of the Public Assistance Applicant Briefings and attend the briefing in their County. If they cannot attend the briefing in their County they are free to attend any of the other briefings that their schedule allows.

If I can be of further assistance please do not hesitate to contact me.

Thank-you,
Dana Conover
