Call for Artist Information

The Connecticut Commission on Culture & Tourism, in partnership with Young Audiences Arts for Learning Connecticut, Connecticut's *VSA arts* affiliate, is seeking artists with disabilities for their valuable input to the Forum on Career in the Arts for Persons with Disabilities.

Working with a statewide advisory committee, these organizations will conduct the Forum on Careers in the Arts for People with Disabilities on November 15, 2008. The Forum will assess the educational needs, career development needs and will seek to identify barriers for careers in the arts for Connecticut artists and arts administrators with disabilities. Strategies will be developed by Forum participants to overcome the barriers and advance careers in the arts for individuals with disabilities.
