Camp Harkness has a lot to celebrate!!

Camp Harkness has a lot to celebrate!!

The **Camp Harkness Fund** is a fundraising committee developed to provide support to the Camp Harkness camps, campers, and activities. We hope this will raise funds to provide camperships for kids, teens and adults with disabilities. With these funds, we will also buy new equipment, and add programs. As a kick-off, items will be available for purchase.

We will be recognizing our community contributors.

There will be a groundbreaking ceremony and blessing of the Transformation Butterfly Garden which will be a place for Sensory Exploration, Meditation, Relaxation and Healing.

Train and walking/rolling tours of the Park and Camps will be ongoing...

Please park in lot next to the Rogers House.
