

THE MCC DISABILITY SPECIALIST ADVISORY COUNCIL
PRESENTS:

TAKING THE “*DIS*” OUT OF DISABILITY

An informative seminar for individuals working with people with disabilities.

APRIL 10, 2014

6:00P – 8:30P

MANCHESTER COMMUNITY COLLEGE
GREAT PATH COMMUNITY COMMONS ROOM

Over 56.7 million people in the United States have a disability. This seminar will provide care givers, direct care staff, human service professional and other community members the tools they need to show respect and sensitivity to people with disabilities. Often times individuals do not recognize how their actions or words may come across. Participants in this program will leave enriched, through activities, dialogue with each other, and knowledge gained from speakers.
