FROM: J. Robert Galvin, M.D., M.P.H., M.B.A.
Commissioner

A handwritten signature in black ink, appearing to read "J. Galvin".

DATE: September 10, 2009

RE: H1N1 Guidance for Employees

Updated guidance has been published by the CDC on when employees should return to work after flu like symptoms.

CDC recommends that people with influenza-like illness remain at home until at least 24 hours after they are free of fever (100° F [37.8°C]), or signs of a fever without the use of fever-reducing medications.

Please feel free to review the entire guidance at the CDC web site:

<http://www.cdc.gov/h1n1flu/guidance/exclusion.htm>
