

RESIDENTIAL ISSUES COMMITTEE

September 19, 2012

DDS Office

104 South Turnpike Road

Wallingford, CT. 06492

AGENDA

Review Work Committees

1. Community Companion Homes
2. Individualized Home Supports
3. Data Management
4. Sustainability
5. Implementation Committee

Do a phone conference with committee member – set up prior to start of meeting.

Types of Assessments for new Adaptive Technology Equipment – Carin

New technology for communication – Pat T.

Any new research on technology that will promote health, safety and independence – did we all send to Carin?

Agency survey's – follow up – Laurie

Policy on Technology – when? Discussion

Do we want to continue with research on technology?

Also need to move on to Aging in Place and Identifying new/creative residential options.

Next meeting will be on Wednesday, October 10th at DDS Office in Wallingford.

There will be a Technology Conference at Ability Beyond Disabilities on Thursday, September 28, 2012 from 8:30 am (registration) 9:00 am to 3:30 pm with featured speakers: Commissioner Terry Macy, Ability Beyond Disabilities Reconfiguration Project Team, David O'Hare – Making Telehealth Accessible to People with I/DD, Michael Bloom, Energizing Staff – and Technology Expose: Overview of different technologies available to enhance support. Call 860.233.0175 – e-mail donmiller@klualumni.org for more information.
