Provider Profile:

Ability Beyond Disability was founded in 1972. The organization provides supports to individuals with developmental and intellectual disabilities in Connecticut and New York. Ability Beyond Disability has received the highest level of accreditation from the Commission on Accreditation for Rehabilitation Facilities (CARF) and is recognized as the first agency in the country to close its sheltered workshop and provide extensive services that are fully community-based. It currently employs 800 staff, engages over 500 volunteers and has an annual operating budget of \$51 million. It is governed by a voluntary Board of Directors and Board of Trustees and receives community support in excess of \$1 million annually.
