## Provider Profile

---

Information provided by the provider describing their agency:

Susan Miller established Family Partnerships of CT, LLC in 2001 as a result of a service delivery gap between families, agencies and communities. As the mother of two children with disabilities, Susan recognized the growing needs of families and their ability to access resources and services for family members. Family Partnerships is innovative and creative in developing and offering options to families and individuals. We have a unique philosophy and the ability to individualize our schedule, and our services, to meet the needs of the people we support. Family Partnerships will help develop a long-range plan and will recommend ways to promote individual independence. We provide a variety of services and believe that each person has their own distinct set of circumstances and needs. With the experience and commitment of Family Partnerships goals and dreams can be achieved.
