## Provider Profile

---

---

Information provided by the provider describing their agency:

Northeast Behavioral Associates provides behaviorally based mental health services to children, families and adults. The mission of the organization is to provide quality behavioral and mental health services to individuals and families who are in need, and to empower our clients to identify and remove barriers to the pursuit of their goals. NBA is committed to ensuring that cultural, socioeconomic, and geographical challenges do not impede a client's ability to access services.

All of the services provided by Northeast Behavioral Associates are designed to be client-directed, goal-centered and action-oriented. We use proven scientifically validated methods and procedures to enable individuals to realize their potential based upon the goals they've chosen. It's our job to help the client identify the barriers to realizing their goals and help them empower themselves to remove them.

Northeast Behavioral Associates provides services including, Functional Behavior Assessments, Peer Review Committee (PRC) and Human Rights Committee (HRC) presentations, behavior intervention development and staff training on client-specific Behavior Intervention Plans.
