Information provided by the provider describing their agency:

Ädelbrook provides services for individuals with intellectual/developmental disabilities and autism specific services that includes, but is not limited to Individual Home Supports, Community Living Arrangements and Respite Care. We are accredited by the Council on Accreditation (COA) and have a long history of working with families and youth who have severe behavior disorders. We currently operate a residential treatment facility, with two residential extensions. Additionally we oversee 10 Continuous Residential Support Homes, that each house three individuals. Through an arrangement with consultants from the University of Massachusetts Program for Persons with Intellectual Disabilities we incorporate Positive Behavioral Support principles in both residential and school components. We work with families to educate and support their roles as principal caregivers.
