Provider Profile

Information provided by the provider describing their agency:

Michael Pasinski, LCSW, has been providing clinical supports to individuals with developmental disabilities for over 15 years. He has provided supports to agencies, families, and residential teams supporting individuals with a wide variety of behavioral/ clinical needs.

Mr. Pasinski has specific expertise working with individuals who exhibit problem sexual behavior, and is qualified and experienced in conducting Social Sexual Evaluations and developing treatment plans for this population. He is a Clinical Member of both CATSO and ATSA.

Mr. Pasinski also has expertise in treating trauma (Post Traumatic Stress) via individual therapy. He has been trained in the use of EMDR.

The behavioral support plans Mr. Pasinski develops are strengths based and involve both client and support network input. A detailed functional assessment is completed as part of each plan. The plans are designed to build healthy adult identities, teach coping skills, and reinforce social skills.
