Information provided by the provider describing their agency:

Dr. Morgan is a clinical psychologist and Board Certified Behavior Analyst who specializes in evaluation and treatment of individuals with Autism and developmental disabilities, and has worked with children with developmental disabilities for over 15 years. She earned her Bachelor of Science in Education at Cornell University, her doctorate degree in Clinical Psychology at the University of Connecticut, and graduate certification in Applied Behavioral Analysis at the University of St. Joseph. Prior to assuming her position at The Center for Children with Special Needs, she worked as a special education teacher with children with emotional/behavioral problems and children with developmental disabilities, and was a member of a multidisciplinary evaluation team at Connecticut Children’s Medical Center. She provides diagnostic evaluation and treatment services, as well as school-based consultation and training, and program support services and consultation for adolescents and adults.
