Information provided by the provider describing their agency:

The Tri-County ARC is a midsized non-profit agency that provides supports to disabled individuals in their home, at work, and in the community. Our goal is to provide quality care, which we define as providing care with respect, dignity, and a belief in each person's potential to learn, grow, and develop into a self sufficient and self directed individual.

Our participants choose the services that they want Tri-County ARC to provide. Each individual designs their own support system based on their individual needs. These services may range from total care (in one of our group homes or their own home) to independent supports (ex. Transportation, assistance obtaining employment, Doctors appointments, shopping, paying bills, etc).
