Information provided by the provider describing their agency:

Brian House is a private, nonprofit agency which provides residential programming for adults with developmental disabilities. Services are provided in nine, well maintained homes and a variety of IHS locations, in the surrounding communities of the Connecticut River Valley. Managers who share the group home environment with the individuals they serve living in residential attached apartments, and the turnover of managerial staff is low.

Using Person Centered Planning techniques, individual service plans are developed which guide the support staff's actions on behalf of all individuals served. The agency welcomes and encourages active participation of family members, advocates, and friends of individuals. Productive, professional long term relationships are maintained with medical providers in the community. The agency employs the nurses on its staff and maintains contracts with a variety of clinical service providers.

Brian House, Inc. recognizes the uniqueness of each individual at the agency, provides support to and views each person in the context of his or her life experiences, age, personality, preferences, health, goals, and desires for the future.
