Subject: Bridgewater Application
Date: Thursday, June 13, 2013 6:15:39 PM

Mr.Clark,

I am writing to express my support for the Bridgewater application. I feel it should be approved. We need the jobs and the commitments of business like Bridgewater to stay in Connecticut and expand. We have become the State that is not friendly to business, we need to change this. The future of Connecticut depends on business like Bridgewater.

Please approve their application

Thank you for your consideration
