Thursday, February 10, 2011

9:00 a.m.

The regularly scheduled February SIPRAC Meeting will be replaced by the following NSR and Greenhouse Gas Permitting Workshop, see agenda below.

NSR and Greenhouse Gas Permitting Workshop

The Environmental Protection Agency (EPA) in cooperation with Connecticut Department of Environmental Protection (DEP) is offering a workshop on NSR and Greenhouse Gas (GHG) Permitting. The workshop will provide an overview of the new GHG permitting requirements and a general overview of the Prevention of Significant Deterioration (PSD) permitting program. The workshop will also touch upon how EPA's Tailoring Rule impacts the Title V permits over the next few years. **The workshop will be limited to the first 90 registrants so pre-registration is mandatory.**

When: Thursday, February 10, 2011
