Exploring Climate Solutions Webinar Series

Brought to you by the *Governor's Council on Climate Change (GC3)*

The GC3'S **Exploring Climate Solutions** webinar series explores innovative and successful climate change solutions across Connecticut and the nation. The series provides you with first-hand accounts of high-profile municipal climate programs, climate initiatives in the corporate world, greenhouse gas reporting frameworks, statewide sustainability programs, materials management strategies, and low-carbon fuel initiatives.

In our upcoming **October 6th lunchtime webinar**, join us to hear from Nick Nigro, founder of [Atlas Public Policy](#). Nick is a nationally-known expert on alternative fuel vehicle financing, policy and technology, and will present the details of a report for the Connecticut Green Bank and DEEP assessing the market potential of various alternative transportation fuels. Nick has led the development of complex financial and policy analysis tools, managed a comprehensive analysis of greenhouse gas mitigation from U.S. transportation, and is a frequent public speaker on advanced vehicle technology and other transportation-related energy and environmental issues. Atlas Public Policy is a policy and technology firm that equips businesses and policymakers with data synthesis solutions for strategic, informed decisions.
