TOWN OF GREENWICH)	

CONSENT ORDER

A. With the agreement of the Town of Greenwich ("Respondent"), the Commissioner of Energy and Environmental Protection ("Commissioner") finds the following:

1. The Respondent owns and operates Nathaniel Witherell Short-Term Rehab and Skilled Nursing Center at 70 Parsonage Road in Greenwich, Connecticut ("facility).
2. At the facility, the Respondent maintains and operates two industrial boilers and an emergency engine.
3. Pursuant to Section 22a-174-33(d) of the Regulations, the Commissioner issued, on July 19, 2012, Permit No. 067-0100-GPLPE ("Permit") to the Respondent to limit all aggregate potential emissions of regulated air pollutants from the premises. The Respondent is required, pursuant to Section 5(d)(1) of the Permit, to submit to the Commissioner on or before March 1st of each year an annual compliance certification for the premises.
4. The Respondent failed to submit a timely annual compliance certification for calendar year 2013, and was issued Notice of Violation No. 17194.
5. On May 1, 2015, based upon a record review, the Commissioner determined that the Respondent failed to submit the annual compliance certification for calendar year 2014. Because the Respondent failed to submit the required annual compliance certification, the Commissioner determined that the Respondent violated Section 5(d)(1) of the Permit. Consequently, on May 26, 2015, the Commissioner issued Notice of Violation No. 17536 to the Respondent for the violation.
6. By virtue of the above, the Respondent has violated Section 5(d)(1) of the Permit.
7. On August 4, 2014, the Respondent submitted the annual compliance certification for calendar year 2013 and the Commissioner determined that the Respondent complied with the Permit. Subsequently, Notice of Violation No. 17194 was closed.
8. On June 4, 2015, the Respondent submitted the annual compliance certification for calendar year 2014. Subsequently, the Commissioner reviewed and accepted the Respondent's 2014 annual compliance certification.

- B. With the agreement of the Respondent, the Commissioner, acting under §§22a-6, 22a-171, 22a-174, 22a-177, and 22a-178 of the Connecticut General Statutes orders the Respondent as follows:
1. Civil Penalty. On or before thirty (30) days after issuance of this Consent Order, the Respondent shall pay a penalty of one thousand five hundred and twenty-five dollars (\$1,525) as the total civil penalty to be sought by the Commissioner for the violation identified in Paragraphs A.5. & A.6. of this Consent Order.
 2. Payment of penalties. Payment of penalties under this Consent Order shall be mailed or personally delivered to the Department of Energy and Environmental Protection, Bureau of Financial and Support Services, Accounts Receivable Office, 79 Elm Street, Hartford, CT 06106-5127, and shall be by certified or bank check payable to Treasurer, State of Connecticut. "The check shall state on its face, "Bureau of Air Management civil penalty, Consent Order No. 2412 "
 3. Full compliance. Respondent shall not be considered in full compliance with this Consent Order until all actions required by this Consent Order have been completed as approved and to the Commissioner's satisfaction.
 4. Approvals. Respondent shall use best efforts to submit to the Commissioner all documents required by this Consent Order in a complete and approvable form. If the Commissioner notifies Respondent that any document or other action is deficient, and does not approve it with conditions or modifications, it is deemed disapproved, and Respondent shall correct the deficiencies and resubmit it within the time specified by the Commissioner or, if no time is specified by the Commissioner, within 30 days of the Commissioner's notice of deficiencies. In approving any document or other action under this Consent Order, the Commissioner may approve the document or other action as submitted or performed or with such conditions or modifications as the Commissioner deems necessary to carry out the purposes of this Consent Order. Nothing in this paragraph shall excuse noncompliance or delay.
 5. Definitions. As used in this Consent Order, "Commissioner" means the Commissioner or a representative of the Commissioner.

The date of any notice by the Commissioner under this Consent Order, including but not limited to notice of approval or disapproval of any document or other action, shall be the date such notice is deposited in the U.S. mail or is personally delivered, whichever is earlier. Except as otherwise specified in this Consent Order, the word "day" as used in this Consent Order means calendar day. Any document or action which is required by this Consent Order to be submitted or performed by a date which falls on a Saturday, Sunday or a Connecticut or federal holiday shall be submitted or performed by the next day which is not a Saturday, Sunday or Connecticut or federal holiday.
 7. Certification of documents. Any document, including but not limited to any notice, which is required to be submitted to the Commissioner under this Consent Order shall be signed by Respondent or, if Respondent is not an individual, by Respondent's chief executive officer or a duly authorized representative of such officer, as those terms are defined in §22a-430-3(b)(2) of the Regulations of

Connecticut State Agencies, and by the individual(s) responsible for actually preparing such document, and Respondent or Respondent's chief executive officer and each such individual shall certify in writing as follows:

"I have personally examined and am familiar with the information submitted in this document and all attachments thereto, and I certify, based on reasonable investigation, including my inquiry of those individuals responsible for obtaining the information, that the submitted information is true, accurate and complete to the best of my knowledge and belief. 10. Notice of transfer; liability of Respondent. Until Respondent has fully complied with this Consent Order, Respondent shall notify the Commissioner in writing no later than 15 days after transferring all or any portion of the facility, the operations, the site or the business which is the subject of this Consent Order or after obtaining a new mailing or location address. Respondent's obligations under this Consent Order shall not be affected by the passage of title to any property to any other person or municipality.
11. Commissioner's powers. Except as provided hereinabove with respect to payment of civil penalties, nothing in this Consent Order shall affect the Commissioner's authority to institute any proceeding or take any other action to prevent or abate violations of law, prevent or abate pollution, recover costs and natural resource damages, and to impose penalties for past, present, or future violations of law. If at any time the Commissioner determines that the actions taken by Respondent pursuant to this Consent Order have not successfully corrected all violations, fully characterized the extent or degree of any pollution, or successfully abated or prevented pollution, the Commissioner may institute any proceeding to require Respondent to undertake further investigation or further action to prevent or abate violations or pollution.
12. Respondent's obligations under law. Nothing in this Consent Order shall relieve Respondent of other obligations under applicable federal, state and local law.
13. No assurance by Commissioner. No provision of this Consent Order and no action or inaction by the Commissioner shall be construed to constitute an assurance by the Commissioner that the actions taken by Respondent pursuant to this Consent Order will result in compliance.
14. Access to site. Any representative of the Department of Energy and Environmental Protection may enter the facility without prior notice for the purposes of monitoring and enforcing the actions required or allowed by this Consent Order.

Notification by Respondent shall not excuse noncompliance or delay, and the Commissioner's approval of any compliance dates proposed shall not excuse noncompliance or delay unless specifically so stated by the Commissioner in writing.
