CONSENT ORDER NUMBER
COWSPST12-002

MATTHEW KINSMAN
RESPONDENT

ISSUE DATE March 1, 2012

A. With the agreement of Matthew Kinsman ("Respondent"), the Commissioner of Energy & Environmental Protection ("the Commissioner") finds:

1. Respondent is an individual with a residential address at 19 Clearview Drive in Brookfield, Connecticut.

2. Respondent holds commercial pesticide operator certification number O-27317 with an expiration date of 1/31/2013.

3. On 6/30/11, Respondent applied Tempo 1% Dust Insecticide in a manner inconsistent with labeling and in a faulty, careless and negligent manner at the Rodgers residence located at 118 Stonecrest Road in Ridgefield, Connecticut by applying and/or spilling pesticide dust onto non-target sites including general surfaces of cabinets, floors and personal hygiene items including toothbrushes, toothbrush holder, cosmetic bag and personal care product containers. Respondent also failed to take steps to contain and keep unprotected people away from spilled material.

4. On 6/30/11, Respondent acted as a certified commercial supervisor by deciding to apply Tempo 1% Dust Insecticide at the Rodgers residence located at 118 Stonecrest Road in Ridgefield, Connecticut contrary to supervisory written instructions which indicated that Drione Dust was to be applied.

By virtue of the above, Respondent has violated Connecticut General Statutes Section 22a-61(b)(7), 22a-61(e), 22a-61(f)(1)(A) and 22a-61(f)(1)(E).

B. With the agreement of Respondent, the Commissioner, acting under §22a-6, §22a-61(f) and 22-63(e) of the Connecticut General Statutes, orders Respondent as follows:

1. Respondent agrees to surrender his commercial pesticide operator certification/license, waiving his right to request a hearing as provided for under Rules of Practice Section 22a-3a-5(d).

2. The Respondent may not re-apply to take the commercial pesticide operator exam for a period of one (1) year from the date of issuance of this consent order.

2. Effective immediately upon issuance of this consent order, Respondent shall take all steps necessary to comply with all applicable provisions of chapters 441 governing Pesticide Control of the Connecticut General Statutes and regulations promulgated thereunder and shall maintain such compliance.

6. Full compliance. Respondent shall not be considered in full compliance with this consent order until all actions required by this consent order have been completed as approved and to the Commissioner's satisfaction.

7. Definitions. As used in this consent order, "Commissioner" means the Commissioner or a representative of the Commissioner.

8. Dates. The date of "issuance" of this consent order is the date the consent order is deposited in the U.S. mail or personally delivered, whichever is earlier. The date of submission to the Commissioner of any document required by this consent order shall be the date such document is received by the Commissioner. The date of any notice by the Commissioner under this consent order, including but not limited to notice of approval or disapproval of any document or other action, shall be the date such notice is deposited in the U.S. mail or is personally delivered, whichever is earlier. Except as otherwise specified in this consent order, the word "day" as used in this consent order means calendar day. Any document or action which is required by this consent order to be submitted or performed by a date which falls on a Saturday, Sunday or a Connecticut or federal holiday shall be submitted or performed by the next day which is not a Saturday, Sunday or Connecticut or federal holiday.

9. Noncompliance. This consent order is a final order of the Commissioner with respect to the matters addressed herein, and is nonappealable and immediately enforceable. Failure to comply with this consent order may subject Respondent to an injunction and penalties.

10. False statements. Any false statement in any information submitted pursuant to this consent order may be punishable as a criminal offense under §53a-157b of the Connecticut General Statutes and any other applicable law.

11. Notice of transfer; liability of Respondent. Until Respondent has fully complied with this consent order, Respondent shall notify the Commissioner in writing no later than 15 days after transferring all or any portion of the facility, the operations, the site or the business which is the subject of this consent order or after obtaining a new mailing or location address. Respondent's

obligations under this consent order shall not be affected by the passage of title to any property to any other person or municipality.

12. Commissioner's powers. Except as provided hereinabove with respect to payment of civil penalties, nothing in this consent order shall affect the Commissioner's authority to institute any proceeding or take any other action to prevent or abate violations of law, prevent or abate pollution, recover costs and natural resource damages, and to impose penalties for past, present, or future violations of law. If at any time the Commissioner determines that the actions taken by Respondent pursuant to this consent order have not successfully corrected all violations, fully characterized the extent or degree of any pollution, or successfully abated or prevented pollution, the Commissioner may institute any proceeding to require Respondent to undertake further investigation or further action to prevent or abate violations or pollution.

13. Respondent's obligations under law. Nothing in this consent order shall relieve Respondent of other obligations under applicable federal, state and local law.

14. No assurance by Commissioner. No provision of this consent order and no action or inaction by the Commissioner shall be construed to constitute an assurance by the Commissioner that the actions taken by Respondent pursuant to this consent order will result in compliance [or prevent or abate pollution].

15. Access to site. Any representative of the Department of Energy & Environmental Protection may enter the Respondent's place of employment without prior notice for the purposes of monitoring and enforcing the actions required or allowed by this consent order.

16. No effect on rights of other persons. This consent order neither creates nor affects any rights of persons or municipalities that are not parties to this consent order.

17. Notice to Commissioner of changes. Within 15 days of the date Respondent becomes aware of a change in any information submitted to the Commissioner under this consent order, or that any such information was inaccurate or misleading or that any relevant information was omitted, Respondent shall submit the correct or omitted information to the Commissioner.

18. Notification of noncompliance. In the event that Respondent becomes aware that it did not or may not comply, or did not or may not comply on time, with any requirement of this consent order or of any document required hereunder, Respondent shall immediately notify by telephone the individual identified in the next paragraph and shall take all reasonable steps to ensure that any noncompliance or delay is avoided or, if unavoidable, is minimized to the greatest extent possible. Within five (5) days of the initial notice, Respondent shall submit in writing the date, time, and duration of the noncompliance and the reasons for the noncompliance or delay and propose, for the review and written approval of the Commissioner, dates by which compliance will be achieved, and Respondent shall comply with any dates which may be approved in writing by the Commissioner. Notification by Respondent shall not excuse noncompliance or delay, and the Commissioner's approval of any compliance dates proposed

shall not excuse noncompliance or delay unless specifically so stated by the Commissioner in writing.

19. Submission of documents. Any document required to be submitted to the Commissioner under this consent order shall, unless otherwise specified in this consent order or in writing by the Commissioner, be directed to:

Diane Jorsey, Environmental Analyst
Department of Energy & Environmental Protection
Bureau of Materials Management & Compliance Assurance
Pesticide Management Program
79 Elm Street
Hartford, Connecticut 06106-5127

Respondent consents to the issuance of this consent order without further notice.
