DBA/A1-LTK BUGS PEST MANAGEMENT

A. With the agreement of Scott Svalestad, Sr. dba/A1-LTK Bugs Pest Management ("Respondent"), the Commissioner of Energy & Environmental Protection ("the Commissioner") finds:

1. Respondent is not registered with the Secretary of the State of Connecticut.
2. Respondent is registered with the Commissioner as a commercial pesticide application business with a principal place of business at 1 Sinco Place #C2, East Hampton, Connecticut. Scott Svalestad, Sr. is the sole owner of the business.
3. Since at least 10/25/12, Respondent failed to notify the Commissioner of changes to the information contained in their application for commercial pesticide application business registration regarding the status of one or more certified commercial applicators employed by and/or performing commercial pesticide applications on Respondent's behalf.
4. Since at least 10/25/12, Respondent failed to maintain direct supervision of applications of general and restricted-use pesticides performed by staff of Bed Bug Finders, LLC for the control of bed bugs at multiple locations within Connecticut. Specifically, Respondent allowed staff of Bed Bug Finders, LLC to decide whether or not pesticides would be used, how they were to be mixed, where they would be used, which pesticides would be used, the dosages and timing in their application and precautions to be taken in their use.
5. Since at least 10/25/12, Respondent provided generic supervisory written instructions for use by employees of Bed Bug Finders, LLC for multiple applications of pesticides to control bed bugs at multiple locations within Connecticut. The written instructions provided by the Respondent do not contain specific required information including the place of application, the name and certification number of the certified operator, the dilution rate(s) and method(s) of application to be used, the site of application, label specific precautions that should be taken and/or specific treatment limitations.
6. Since at least 2/24/13, Respondent has allowed Michael Morin and Donald Frey of Bed Bug Finders, LLC to use his/their commercial pesticide supervisor certification and business registration numbers to engage in the

operation of a commercial pesticide application business for the control of bed bugs at multiple locations within the state of Connecticut.

By virtue of the above, Respondent has violated sections 22a-54(c)(1), 22a-61(f)(1)(J), 22a-66c(b), 22a-66e(a)(8) of the Connecticut General Statutes and section 22a-66-5(g)(2) of Regulations of Connecticut State Agencies.

B. With the agreement of Respondent, the Commissioner, acting under §22a-6, §22a-63(e) and §22a-66h of the Connecticut General Statutes, orders Respondent as follows:

1. Effective immediately upon issuance of this consent order, Respondent shall take all steps necessary to comply with all applicable provisions of chapters 441 governing Pesticide Control of the Connecticut General Statutes and regulations promulgated thereunder and shall maintain such compliance.

2.) Progress reports: Respondent shall submit written progress reports to the Commissioner in accordance with the schedule approved by the Commissioner, and continuing until all actions required by this consent order have been completed as approved and to the Commissioner's satisfaction, Respondent shall submit a progress report to the Commissioner describing the actions which Respondent has taken to date to comply with this consent order.

3.) Full compliance. Respondent shall not be considered in full compliance with this consent order until all actions required by this consent order have been completed as approved and to the Commissioner's satisfaction.

4.) Civil penalty. Respondent shall pay a penalty of \$1,500.00 in four installments as the total civil penalty to be sought by the Commissioner for those, and only those, violations described in paragraphs A.3 through A.6 of this consent order. Payment of the four installments will be due as follows; \$375.00 on or before 1/31/2014; \$375.00 on or before 4/30/2014; \$375.00 on or before 7/30/2014 and \$375.00 on or before 10/30/2014.

5.) Supplemental Environmental Project.

In addition to the civil penalty referenced in paragraph B.4, Respondent has agreed to undertake the following supplemental environmental project(s) ("SEP(s)") requiring an expenditure of at least four-thousand five-hundred dollars (\$4,500.00), which is the total estimated cost as determined by the Commissioner for all SEPs required under this paragraph, or make payment(s) as follows:

a. Respondent shall perform each SEP identified and described in Attachment A to this consent order in accordance with the project proposal prepared by the Respondent on 11/05/2013. Respondent shall perform each such SEP in accordance with the schedule approved by the Commissioner, and shall obtain any federal, state or local permit or approval necessary to carry out such SEP.

b. If Respondent fails to fully perform any SEP in accordance with paragraph B.5.a., Respondent shall immediately notify the Commissioner in writing of such noncompliance and shall, upon written request by the Commissioner, remit a payment equal to: the total estimated cost, as determined by the Commissioner, of all such SEP(s); plus either \$2,500 or 10% of such total estimated cost, whichever is greater. Within fourteen (14) days after the date of the Commissioner's written request, Respondent shall make such payment in

accordance with the remittance procedures for unexpended SEP funds in subparagraph B.6.e. of this consent order.

c. Respondent shall submit written progress reports to the Commissioner in accordance with the schedule approved by the Commissioner. Each progress report shall include the following information: Respondent's progress in performing each SEP including tasks performed to date, a complete accounting of actual project costs incurred to date, planning for the remaining project tasks to be performed, significant activities or findings related to the project, and any other reasonable information requested by the Commissioner for the purpose of evaluating Respondent's progress in performing the SEP(s).

d. On or before thirty (30) days after completion of each SEP, Respondent shall submit for the Commissioner's review and written approval a comprehensive final report that certifies completion of such SEP. Such final report shall include, at a minimum, a narrative history of the project, detailed explanation of its design and implementation, summary of any data collected, complete final accounting of actual project costs including receipts for out-of-pocket costs, and a discussion of environmental benefits resulting from the SEP.

e. Should the Commissioner determine that the actual cost to the Respondent of any fully completed SEP is less than the estimated cost, as determined by the Commissioner, of such SEP, Respondent shall pay the difference between such actual cost and the estimated cost to the Commissioner as unexpended SEP funds. The Commissioner shall notify the Respondent in writing of the amount of any such unexpended SEP funds that are due. Respondent shall, within fourteen (14) days after the date of such written notice, remit the full amount of the unexpended SEP funds. Payment of unexpended SEP funds shall be by certified or bank check payable to the "Connecticut Department of Energy and Environmental Protection" and the check shall state on its face "Statewide SEP Account, Consent Order No. COWSPST13-119." Respondent shall mail or personally deliver such payment to the Department of Energy and Environmental Protection, Bureau of Financial and Support Services, Accounts Receivable Office, 79 Elm Street, Hartford, Connecticut 06106-5127.

f. If and when Respondent disseminates any publicity, including but not limited to any press releases regarding funding a SEP, Respondent shall include a statement that such funding is in partial settlement of an enforcement action brought by the Commissioner.

g. Respondent shall not claim or represent that any SEP payment made pursuant to this consent order constitutes an ordinary business expense or charitable contribution or any other type of tax deductible expense, and Respondent shall not seek or obtain any other tax benefit such as a tax credit as a result of the payment under this paragraph.

6.) Payment of penalties. If the Commissioner notifies Respondent that any document or other action is deficient, and does not approve it with conditions or modifications, it is deemed disapproved, and Respondent shall correct the deficiencies and resubmit it within the time specified by the

Commissioner or, if no time is specified by the Commissioner, within 30 days of the Commissioner's notice of deficiencies.
