

Deer / Turkey Harvest Tags

This page has **Harvest Tags** that deer and turkey hunters must use to identify their harvest. Photocopies or handwritten versions of these **Harvest Tags** may also be used. Handwritten versions of these tags must also be signed and include your Conservation ID#, your name, date of kill, time of kill, town of kill, and the permit type used. Additional copies of these **Harvest Tags** are available on the DEEP's website, www.ct.gov/deep/hunting.

Immediately upon harvesting a deer or turkey, complete and sign a **Harvest Tag** and keep it with the carcass at all times. Harvested deer and turkeys must be reported within 24 hours via the internet at www.ct.gov/deep/hunting or by calling the toll-free number, 1-877-337-4868. After reporting your harvest, you will be given a report confirmation number to write on the tag. Keep the tag, completed with all information, with the carcass until it is cut up for consumption.

Tagging and Reporting Instructions

1. Immediately upon making your harvest, complete a Deer/Turkey Harvest Tag. The Harvest Tag must be kept with your deer or turkey until it is processed for consumption. While transporting your harvest, you may keep the Harvest Tag in your pocket or wallet. However, if you leave the carcass, the completed Harvest Tag must remain with the animal.
2. Harvested deer and turkeys must be reported within 24 hours via the internet at www.ct.gov/deep/hunting or by telephone at the toll-free number, **1-877-337-4868** (1-877-DEP-HUNT).
3. To report your deer or turkey, you will need to know the 3-digit number code of the town in which the animal was harvested. The table below lists Connecticut's 169 towns and their identifying numbers. If you harvested your deer or turkey on state land, you will also need to know the 3-digit number code of the public hunting area. The tables on the next two pages list the 3-digit number codes of Connecticut's public hunting areas.

Tagging and Reporting Instructions

How do I report my deer and turkey harvests and get a harvest report confirmation number?

You can report your harvest on the Department's website or by calling the toll free number 1-877-337-4868. After reporting your harvest you will be given a confirmation number to write on your Harvest Tag. This confirmation number serves as proof that you have legally reported your harvest. You may find that submitting harvest reports on the Department's website is much easier than using the telephone reporting system. The telephone reporting system uses a live attendant that will ask you a series of questions to obtain harvest information. On the website, you answer questions by using convenient drop-down menus. Other advantages of using the website to report your harvest is that you can review reports that you have previously submitted and print out copies of these reports.

Reporting Your Harvest by Telephone

Call 1-877-337-4868 (1-877-DEP-HUNT). The telephone reporting system uses a live attendant that will ask you a series of questions to obtain harvest information.

Reporting Your Harvest on the Internet

Go to www.ct.gov/deep/hunting and look for the link for reporting deer and turkey.
