REMEDIAION STANDARD REGULATIONS AND THE ENVIRONMENTAL LAND USE
RESTRICTION REGULATIONS

To: Commentors

From: Daniel C. Esty, Commissioner MM
Department of Energy and Environmental Protection

Date: March 11, 2013

Subject: Notice of Availability of the Intent to Take Action Regarding Amendments of Existing Regulations Regarding the Remediation Standard Regulations and the Environmental Land Use Restriction Regulations

Thank you for participating during the public comment period for the above referenced regulations. We have carefully evaluated the hearing record and addressed the issues raised. Pursuant to section 4-168(d) of the Connecticut General Statutes, the Department hereby gives notice of its intent to proceed with the amendments of the existing regulations regarding the Remediation Standard Regulations and the Environmental Land Use Restriction Regulations.

The proposed revisions were the subject of a public hearing held on October 25, 2012. The final wording of the proposed revisions, the principal reasons in support of this intended action, the principal considerations in opposition to this intended action, and the Department's reasons for accepting or rejecting such considerations are all available for copying at the Department of Energy and Environmental Protection, Bureau of Water Protection and Land Reuse, Remediation Division, 2nd floor, 79 Elm Street, Hartford, Connecticut 06106. This information is also available on the Department's website at: <http://www.ct.gov/deep/rsr> or from Arlene Cyr at the above address, or by phone at (860) 424-3705 or arlene.cyr@ct.gov.
