

CGS Sec. 22a-220c. Notification to collectors re items required to be recycled. Warning notices. Inspections. Notification to municipalities re delinquent tipping fees.

(b) On and after January 1, 1991, **the owner or operator of each resources recovery facility or solid waste facility** who has reason to believe, upon visual inspection, that a load of solid waste which is delivered to the facility contains significant quantities of grass clippings or significant quantities of any item required to be recycled pursuant to subsection (a) of section 22a-241b **shall provide prompt notification of such belief to the driver of the vehicle delivering the load and to the agent of the municipality from which the load originated**, designated pursuant to section 22a-220. **The owner or operator of each resources recovery facility or solid waste facility shall conduct periodic unannounced inspections of loads delivered to the resources recovery facility or solid waste facility to assist municipalities and the commissioner in accurately assessing compliance with said section 22a-241b and subsection (c) of section 22a-208v. Such owners or operators shall conduct additional inspections upon the request of the commissioner.**
