Re: Exide/DEEP Public Hearing- Withdrawal of Intervention

Dear Hearing Officer Schain:

Pursuant to the DEEP rules of practice, please consider this letter the withdrawal by Fairfielders Protecting Land and Neighborhoods, LLC (FairPLAN) of both its petitions for a public hearing and its intervention into the public hearing, based on the revised SedRAP plan put forth by Exide at a meeting of the Town of Fairfield joint commissions (Shellfish, Conservation, Harbor Management) last week.

Today the FairPLAN board met and decided upon this withdrawal. Attached hereto, is my email to the members of the FairPLAN Board and to the individual intervening parties (Mary Hogue, Linda Snelham-Moore, Jan Reber and Joy Shaw) forwarding my email to you withdrawing the intervention and petitions. (Note that some other individuals that had received distribution of the email to you, I whited out as we do not publicize our mailing list.)

If you should require anything further, please do not hesitate to contact me.

Very truly yours,

Kathryn L. Braun
