Part II: Reporting Instructions

- All individuals are required to complete the **report form** even if you do not actively rehabilitate animals and/or you do not wish to renew your appointment.
- The **total number** of individuals (by species or group of species) must be reported on the form. Individual records should be retained for your files.
- To handle **migratory bird** species, a federal permit is required. If you do not have a federal permit and you cared for a migratory bird, a detailed report must be filled out for each individual record.
- **Raccoons, skunks and foxes** (RVS) must be reported on special RVS forms even if these individuals were transferred to another wildlife rehabilitator.
- When reporting the disposition, use one of these criteria along with the date: released, holding (who and where), died or euthanized.
- Transferred individuals must be reflected on the **Transfer Report** sheet along with the date of transfer.
- State and federal listed species must be reported on the **Special Animal Report Form** by species. **View the state listed species by taxonomic group.**

Note: The reports are due annually by **January 31st**. Please submit this completed form to Wildlife Rehabilitation Program, CT DEEP, 79 Elm Street, Hartford, CT 06106-5127 or by e-mail to **Laurie.Fortin@ct.gov**
