**RE:** School Security Grant Program Extensions

---

On June 6, 2016, Governor Dannel P. Malloy signed Public Act 16-171 into law, thereby extending the period of performance for the 2013 & 2014 School Security Competitive Grant Programs to June 30, 2017.

Schools that have not completed their approved projects may request an extension by sending an email to [schoolsecuritygrant@ct.gov](mailto:schoolsecuritygrant@ct.gov). Please reference the following information in the email subject line "Grant Award Number-Extension."

To assist us in processing award revisions, please send the request for an extension as soon as possible but no later than July 30, 2016. **A revised notice of grant award will be sent only to those sub-grantees who request an extension.**

Thank you for your continued participation in this program and for your continued commitment in this important initiative.

Sincerely,

William P. Shea
