Application Guidelines

Please read the following guidelines carefully prior to completing and submitting your application. Retain this page for your records; do **not** submit this page with your completed application.

| Importation Permit | Liberation/Stocking Permit |
|---|---|
| <p>A permit from the Department of Environmental Protection is required for the importation into the state of any live fish or live eggs, except for common aquarium species.</p> <p>You must complete a separate permit application (DEP-FISH-APP-001) for each importation. Permits are valid for not more than sixty days and may be issued or denied at the discretion of the commissioner.</p> <p>Live fish or live fish eggs originating outside of the United States, or originating from west of the United States continental divide, must be certified as disease free prior to shipment. Any live fish or live fish eggs originating outside of the United States must also have official clearance, in writing, from the United States Fish and Wildlife Service.</p> | <p>A permit from the Department of Environmental Protection is required for the liberation of live fish or live fish eggs into any pond, lake or stream in Connecticut. This requirement is in effect even if the live fish or live fish eggs originate inside the state.</p> <p>You must complete a separate permit application (DEP-FISH-APP-001) for each liberation. Permits are valid for not more than sixty days and may be issued or denied at the discretion of the commissioner.</p> |
| <p>Notes: Other Important Related Information</p> <ul style="list-style-type: none"> Live fish or live fish eggs of the following species, genera or families shall not be imported into the state or possessed except that, when it is in the public interest, permits for the importation or possession of specimens may be issued, at the discretion of the commissioner, for research or public display purposes or as provided for in section 26-40d-1 of the Regulations of Connecticut State Agencies: <ul style="list-style-type: none"> (1) bowfin (<i>Amia calva</i>); (2) gars (Lepisosteidae); (3) gizzard shad (<i>Dorosoma cepedianum</i>); (4) white bass (<i>Morone chrysops</i>); (5) freshwater drum (<i>Aplodinotus grunniens</i>); (6) snail carp or black carp (<i>Mylopharyngodon piceus</i>); (7) silver carp (<i>Hypophthalmichthys molitrix</i>); (8) big head carp (<i>Aristichthys nobilis</i>); (9) tench (<i>Tinca tinca</i>); (10) rohu (<i>Labeo rohita</i>); (11) calbasu (<i>Labeo calbasa</i>); (12) catla (<i>Catla catla</i>); (13) mrigal (<i>Cirrhina mrigala</i>); (14) mahseer (<i>Tor tor</i>); (15) crucian carp (<i>Carassius carassius</i>); (16) rudd (<i>Scardinius erythrophthalmus</i>); (17) european whitefish, orfe or ide (<i>Leuciscus idus</i>); (18) any species of fish whose importation into the United States is prohibited; (19) any species of fish designated rare, threatened or endangered; (20) any species of fish which the Commissioner determines is potentially dangerous to humans, established species of fish or established aquatic plants; (21) Snakehead (including all members of the genus <i>Channa</i> and <i>Parachanna</i> or their generic synonyms of <i>Bostrychoides</i>, <i>Ophicephalus</i>, <i>Ophiocephalus</i> and <i>Parophiocephalus</i>); and (22) Sturgeon (including all members of the family Acipenseridae, genera <i>Acipenser</i>, <i>Huso</i>, <i>Scaphirhynchus</i> and <i>Pseudoscaphirhynchus</i> and their hybrids). <i>Tropical Aquarium Fish and Goldfish</i> Restrictions and total prohibitions are in effect against certain species (see above) and it is illegal to release any aquarium fish into public or private waters. <i>Triploid Grass Carp Permit</i> A special permit is required for the importation and/or liberation of triploid (sterile) grass carp or white amur. This requirement is in effect even when the subject fish originate inside the state. Permit applications for this type of permit may be obtained from: Department of Environmental Protection, Fisheries Division, 79 Elm Street, 6th Floor, Hartford, CT 06106, phone (860) 424-3474. | |

There is no fee associated with this permit application. Connecticut residents purchasing live fish or live fish eggs are responsible for payments of 6% Connecticut Sales and Use Tax.
