

# CHAINSAW TRAINING

## For the NOVICE & AMATEUR

### Safe & Productive Chainsaw Use Through the “THE GAME OF LOGGING” Certified Training Program

*Sponsored by*  
**The Goodwin Conservation Education Collaborative**

This program is designed for novice or amateur chainsaw users who wish to improve their skills and to operate their saw safely. This is a “hands-on” course. Students bring their own saws, practice the skills taught and have the opportunity to fell trees under the guidance of a professional instructor. Topics covered include: personal protective equipment, routine saw maintenance, chain sharpening, notching and boring techniques, safe felling practices, using wedges, limbing, and handling difficult trees.

Instructor Bill Girard of Girard Custom Cut Hardwoods is a Certified Instructor for the world-renowned “Game of Logging” chainsaw training program. He has been a full-time logger for over 25 years. He also owns and operates a portable sawmill and a variety of logging equipment.

**WHEN: Friday, November 6, 2009 (8am-4pm)**

**WHERE: Goodwin Forest Conservation Center  
23 Potter Road, Hampton, CT**

**COST: \$120 per person**

***For more information contact Steve Broderick at (860) 455-9534 or sbroderick@ctwoodlands.org***

The Goodwin Center is operated by a unique public-private partnership called the Goodwin Collaborative. The CT Department of Environmental Protection and the CT Forest & Park Association, the lead partners, are joined by the University of Connecticut and the Society of American Foresters to develop and deliver educational programs there.

*If you have a disability and may require accommodations, please contact us to discuss your specific need.
