NG9-1-1 Call Handling Demonstration Open House

The Division of Statewide Emergency Telecommunications will begin deployment of the NG 911 Call Handling System beginning January 2015. Public safety answering point personnel will have an opportunity to see firsthand how the new call handling system works, its features and capabilities and to ask questions of representatives from TeleCommunication Systems, Inc (TCS), AT&T and DSET staff, at an open house on September 22, 2014. We hope you will take advantage of this opportunity and register for a session.
