

Diagnosis (Description)

- 0 Inadequate information
- 0 Inadequate information
- 1 Persistent danger to self or others/hygi
- 10 Persistent danger to self or others/hygi
- 100 Superior Functioning, no Symptoms
- 11 Some danger to self or others/hygiene/co
- 12 Some danger to self or others/hygiene/co
- 13 Some danger to self or others/hygiene/co
- 14 Some danger to self or others/hygiene/co
- 15 Some danger to self or others/hygiene/co
- 16 Some danger to self or others/hygiene/co
- 17 Some danger to self or others/hygiene/co
- 18 Some danger to self or others/hygiene/co
- 19 Some danger to self or others/hygiene/co
- 2 Persistent danger to self or others/hygi
- 20 Some danger to self or others/hygiene/co
- 21 Delusions/hallucns/major impairt in jud
- 22 Delusions/hallucns/major impairt in jud
- 23 Delusions/hallucns/major impairt in jud
- 24 Delusions/hallucns/major impairt in jud
- 25 Delusions/hallucns/major impairt in jud
- 26 Delusions/hallucns/major impairt in jud
- 27 Delusions/hallucns/major impairt in jud
- 28 Delusions/hallucns/major impairt in jud
- 29 Delusions/hallucns/major impairt in jud
- 3 Persistent danger to self or others/hygi
- 30 Delusions/hallucns/major impairt in jud
- 31 Impairment in reality test/maj func impa
- 32 Impairment in reality test/maj func impa
- 33 Impairment in reality test/maj func impa
- 34 Impairment in reality test/maj func impa
- 35 Impairment in reality test/maj func impa
- 36 Impairment in reality test/maj func impa
- 37 Impairment in reality test/maj func impa
- 38 Impairment in reality test/maj func impa
- 39 Impairment in reality test/maj func impa
- 4 Persistent danger to self or others/hygi
- 40 Impairment in reality test/maj func impa
- 41 Serious symptoms/serious impairment in f
- 42 Serious symptoms/serious impairment in f
- 43 Serious symptoms/serious impairment in f
- 44 Serious symptoms/serious impairment in f
- 45 Serious symptoms/serious impairment in f
- 46 Serious symptoms/serious impairment in f
- 47 Serious symptoms/serious impairment in f
- 48 Serious symptoms/serious impairment in f
- 49 Serious symptoms/serious impairment in f
- 5 Persistent danger to self or others/hygi
- 50 Serious symptoms/serious impairment in f
- 51 Moderate symptoms/moderate difficulty in

52 Moderate symptoms/moderate difficulty in
53 Moderate symptoms/moderate difficulty in
54 Moderate symptoms/moderate difficulty in
55 Moderate symptoms/moderate difficulty in
56 Moderate symptoms/moderate difficulty in
57 Moderate symptoms/moderate difficulty in
58 Moderate symptoms/moderate difficulty in
59 Moderate symptoms/moderate difficulty in
6 Persistent danger to self or others/hygi
60 Moderate symptoms/moderate difficulty in
61 Mild symptoms/some difficulty in functio
62 Mild symptoms/some difficulty in functio
63 Mild symptoms/some difficulty in functio
64 Mild symptoms/some difficulty in functio
65 Mild symptoms/some difficulty in functio
66 Mild symptoms/some difficulty in functio
67 Mild symptoms/some difficulty in functio
68 Mild symptoms/some difficulty in functio
69 Mild symptoms/some difficulty in functio
7 Persistent danger to self or others/hygi
70 Mild symptoms/some difficulty in functio
71 Transient symptoms/slight impairment in
72 Transient symptoms/slight impairment in
73 Transient symptoms/slight impairment in
74 Transient symptoms/slight impairment in
75 Transient symptoms/slight impairment in
76 Transient symptoms/slight impairment in
77 Transient symptoms/slight impairment in
78 Transient symptoms/slight impairment in
79 Transient symptoms/slight impairment in
8 Persistent danger to self or others/hygi
80 Transient symptoms/slight impairment in
81 Absent or minimal symptoms/good function
82 Absent or minimal symptoms/good function
83 Absent or minimal symptoms/good function
84 Absent or minimal symptoms/good function
85 Absent or minimal symptoms/good function
86 Absent or minimal symptoms/good function
87 Absent or minimal symptoms/good function
88 Absent or minimal symptoms/good function
89 Absent or minimal symptoms/good function
9 Persistent danger to self or others/hygi
90 Absent or minimal symptoms/good function
91 Superior Functioning, no Symptoms
92 Superior Functioning, no Symptoms
93 Superior Functioning, no Symptoms
94 Superior Functioning, no Symptoms
95 Superior Functioning, no Symptoms
96 Superior Functioning, no Symptoms
97 Superior Functioning, no Symptoms
98 Superior Functioning, no Symptoms

99 Superior Functioning, no Symptoms
