State of Connecticut

Welcome to Connecticut's Network of Care for Behavioral Health, made possible through [State and Private Partnerships](#) committed to promoting access to behavioral health care information for all residents of Connecticut. [To take Connecticut's Network of Care Visitor Survey, please click here!](#)

This Web site is a resource for individuals, families and agencies concerned with mental health. It provides information about mental health services, laws, and related news, as well as communication tools and other features. Regardless of where you begin your search for assistance with mental health issues, the Network of Care helps you find what you need - it helps ensure that there is "No Wrong Door" for those who need services. This Web site can greatly assist in our efforts to protect our greatest human asset - our beautiful minds. To view fact sheets in the following languages, click on a link below.
