

OPIOID USE DISORDERS

PREVENTION AND RECOVERY CONFERENCE

PRESENTED BY

SAMHSA, DMHAS, AND THE CT WOMEN'S CONSORTIUM

Tuesday, July 18th and Wednesday, July 19th

The Connecticut Hospital Association · 110 Barnes Road · Wallingford, CT · 06492

The opioid crisis has hit Connecticut hard. State agencies and their partners, private not for profit agencies, law enforcement, academia and individuals and families in recovery have all rallied together to combat the epidemic. But are we doing enough? Come hear about the State's collective efforts in prevention, treatment and recovery and join the effort.

This conference will feature prevention and recovery workshops, panels, and presentations discussing topics of substance use and recovery. Included in the conference will be plenary and break-out sessions which will include:

- SBIRT training
- Adolescent and young-adult tracks
- Issues related to incarceration and reintegration
- A focus on gender and trauma
- Co-occurring substance use and mental health disorders
- How to develop a Medication-Assisted Treatment (MAT) Program

FEATURED KEYNOTE SPEAKERS

July 18th – Dr. Marc Fishman

July 19th – Honorable Patrick Kennedy

Registration Fee: \$20/day
