

**Depression Screening Day
Public Service Announcement**

Man Talking:

Last year things got really tough for me financially. It was getting hard for me to make a living. I didn't know what to do. I found myself just sitting around... tired.....distancing myself from my family and my friends. My wife saw an ad for depression screening day. I said that's not me! It was free and confidential. That screening changed my life.

Narrator:

Find a location near you... it will change your life!
