

Santana is a 20 year old Quarter Horse gelding. He has a hernia so can't be ridden. He takes daily pain medication for an old arthritic injury. He is well-behaved and has excellent ground manners. He is a very handsome pasture ornament, has an easy-going personality and really enjoys being around people.

Sabrina is a Quarter Horse mare about 17 years old. She has an old injury in her foot that makes her unable to be ridden but she is a good pasture pal.

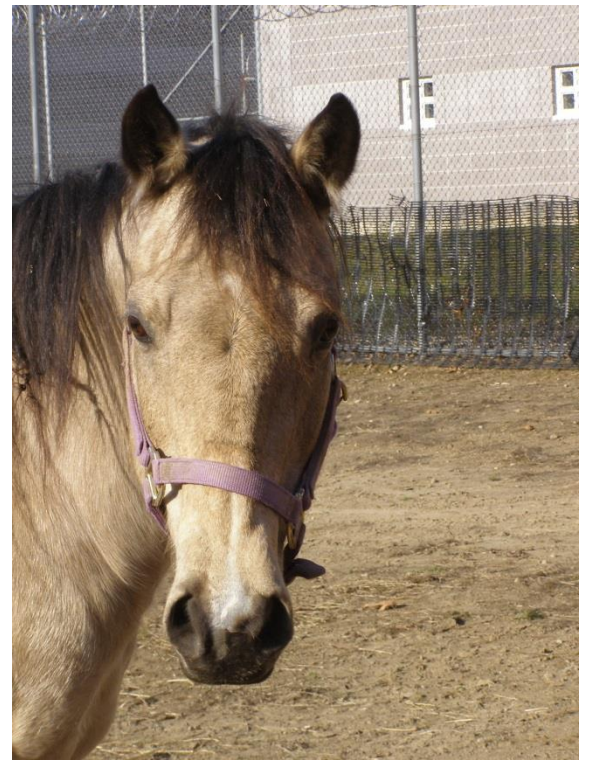

Libby is a 7-year-old beautiful Paint. She has a tentative diagnosis of spinal stenosis and is a “wobbler” so she cannot be ridden. She had a foal, Jedi, on 3/28/16 and she and Jedi are available for adoption as a pair.

Freedom is a Paint gelding about 8 years old who is green broke western. He bucks however, so needs training.

Venus is a beautiful buckskin Quarter Horse mare about 15 years old. She is a proven broodmare as she came to us with a foal at her side. Because she was kept tied on cement in her previous life, she has arthritic knees and can't be ridden. She is a great companion horse and a pretty pasture pal.
