

Crop Plans and Specialty Crop Plans

Market Masters and the Connecticut Department of Agriculture should have a copy of crop plans from all farmers/vendors participating in each farmers' market. Many local health departments will also request a copy of the crop/specialty crop plans. The crop plan and specialty crop plan serve a variety of purposes. We recommend that they be filled out clearly and accurately. This is especially important to any vendors participating in Producer Only markets. Any changes in the crop plans from year to year should be verified with both the market master and the Connecticut Department of Agriculture.
