**Go in search of all the healthy sweetness
 Connecticut apiaries have to offer!**

Not only is buying local honey supporting the Connecticut honey producers, but local honey is known to help relieve the discomfort of seasonal allergies! It's also a rich source of antioxidants, vitamins, minerals, and amino acids. So enjoy Connecticut honey, its healthy qualities, and all its sticky sweetness!

r.norman@snet.net

Native honey in 1/2 lb., 1 lb., 2lb., and glass honey bears. Maple syrup for sale.

Honey care and maintenance:

- Honey never spoils!
- Honey can be stored unopened, indefinitely, at room temperature in a dry cupboard.
- Don't put honey in the refrigerator.
- If honey crystallizes, place the uncapped container in warm water.

And, don't forget, to ensure a great experience at a CT farm, be sure to call ahead to check farm hours of operation and product availability.
