COMMERCIAL FEED REGISTRATION APPLICATION

Application is hereby made in accordance with and subject to the provisions of Connecticut General Statutes Sections 22-118K through 22-118v, for registration of commercial feed products. All registrations shall expire on December thirty-first of each year. The registration renewal period shall be from January 1st to December 31st following, inclusive. Submitted as part of this application is one (1) tag or label (or facsimile of proposed label) for each new or revised product only. Acceptance of submitted application does not denote automatic acceptance of submitted label. List only new products in the New Products Section below. Renewal products are listed on the attached product list. A check payable to the "Commissioner of Agriculture" must accompany this application.

Note: New and renewal applications cannot be processed if the required payment is not submitted with the application, the application is incomplete or missing; and/or the Federal Identification Number or Social Security Number is not provided. Incomplete applications and submitted payment will be returned for completion and resubmission.
