

**Scam artists
aren't smarter
than you.
They're just more
experienced.**

**Take the time
to protect your
money from
investment fraud.**

A good investment takes time to find. Sometimes what looks like a smart way to invest your money is, in truth, just a scam. These scam artists are experts at making bad business deals sound legitimate—so anyone can fall victim to their deception. The best way to protect yourself is to research valid ways to grow your money.

Come learn how to protect yourself from fraud and how to invest your money wisely.
