

## 2007 Holiday Program Notice

This year the Holiday program will be several items added to your regular commissary form. These items will be located in the section normally used for medical items. During this time, the medical items can be obtained by using the blank bubbles on the back of the bubble sheet. The program will run from November 19 – December 21. No orders will be processed after December 21, 2007. So don't wait until the last minute to submit your order.

### Money

Money can be sent from family or friends outside the facility for you. Money orders received from those not on your visiting list will be limited to \$250.00. Money orders from those people not on your visiting list will be accepted between November 2, 2007 and December 14, 2007 only. Any money orders received before and after these dates will be returned to sender.

### Ordering

Your spending limit will be increased to \$100.00 for the weeks of November 19, 2007 – December 21, 2007. You may order these additional items by selecting them as you do any other items. They will be delivered as part of your normal delivery. Your spending limit of \$100.00 per week can be used to purchase these new items or any items on the list. Some items on the form are specially ordered items and could possibly run out of stock before the end of the program. There will be no substitutions for items that are out of stock.. We have made every effort to make sure there is enough of each item.

### Delivery

The orders will be delivered beginning the week of November 19, 2007. Make sure the slip you have in the commissary box for that week is the new form with the holiday items on it. There will be one item called spice that will consist of Garlic Powder, Adobo w/Pepper, Parm/Romano Cheese, Sazon Azafran, Onion Powder. All of the other items are individual items. The additional items are listed below.

### Limits

As always the items purchased must remain in compliance with the Directive 6.10 "Commissary items other than appliances and clothing, shall not accumulate in cell/ living areas in excess of two cubic feet." You are responsible to be within those limits.
