Bridging the Gap

Description:

Alcoholics Anonymous is one of the most important self-help resources for alcoholic men and women. A very important first step for inmates being released into the community is attending the first meeting as soon as possible following release. Addiction Services staff in the institution utilize a toll-free telephone number to get information about the nearest AA meeting location, along with the name of a contact person. An AA member then will contact the inmate upon release and even provide transportation to a meeting.
