The LOI must clearly identify the sender, including agency name, contact person, postal address, telephone number, fax number, and e-mail address. All questions regarding this RFP or the Department's procurement process must be directed, in writing, to the Official Contact before the deadline specified in the Procurement Schedule. The early submission of questions is encouraged. Questions will not be accepted or answered verbally – neither in person nor over the telephone. All questions received before the deadline will be answered. However, the Department will not answer questions when the source is unknown (i.e., nuisance or anonymous questions). Questions deemed unrelated to the RFP or the procurement process will not be answered. At its discretion, the Department may or may not respond to questions received after the deadline. If the Department chooses to answer questions received after the deadline, the question and the answer will be made available to all proposers or prospective proposers. The Department reserves the right to answer questions only from those who have submitted an LOI. The Department may combine similar questions and give only one answer. All questions and answers will be compiled into a written

amendment to this RFP. If any answer to any question constitutes a material change to the RFP, the question and answer will be placed at the beginning of the amendment and duly noted as such. The Department will release the answers to questions on the dates established in the Procurement Schedule. The Department will publish any and all amendments to this RFP on the State Contracting Portal and the Department's Web Site.

At the conference, attendees will be provided an opportunity to submit written or verbal questions, which the Department's representatives may (or may not) answer at the conference. Any verbal answers given at the conference by the Department's representatives are tentative and not binding on the Department. All questions submitted will be answered in a written amendment to this RFP, which will serve as the Department's official response to questions asked at the conference. If any answer to any question constitutes a material change to the RFP, the question and answer will be placed at the beginning of the amendment and duly noted as such. The agency will release the amendment on the date established in the Procurement Schedule. The Department will publish any and all amendments to this RFP on the State Contracting Portal and, if available, on the Department's Web Site.

- Date: February 11, 2010
- Time/Location: TBD (specifics will be emailed to prospective proposers who submitted an LOI)

- 10. Proposal Due Date and Time.** The Official Contact is the **only authorized recipient** of proposals submitted in response to this RFP. Proposals must be **received** by the Official Contact on or before the due date and time:

- Due Date: March 8, 2010
- Time: 3:00 PM

Faxed or e-mailed proposals will not be evaluated. When hand-delivering proposals by courier or in person, allow extra time due to building security procedures. The Department will not accept a postmark date as the basis for meeting the submission due date and time. Proposals received after the due date and time may be accepted by the Department as a clerical function, but late proposals will not be evaluated. At the discretion of the Department, late proposals will either be destroyed or retained for pick up by the submitters.

An acceptable submission must include the following:

- one (1) original proposal;
- five (5) conforming copies of the original proposal; and
- one (1) conforming electronic copy of the original proposal.

The original proposal must carry original signatures and be clearly marked on the cover as "Original." Unsigned proposals will not be evaluated. The original proposal and each conforming copy of the proposal must be complete, properly formatted and outlined, and ready for evaluation by the Screening Committee. The electronic copy of the proposal must be compatible with Microsoft Office Word 2007. For the electronic copy, whenever possible, required forms and appendices may be scanned and submitted in Portable Document Format (PDF) or similar file format.

- 11. Multiple Proposals.** The submission of multiple proposals from the same proposer is not an option with this procurement.

- 12. Declaration of Confidential Information.** Proposers are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act, and all rules, regulations and interpretations resulting from them. If a proposer deems that certain information required by this RFP is confidential, the proposer must label such information as CONFIDENTIAL. In Section C of the proposal submission, the proposer must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the proposer must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the proposer that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).
- 13. Conflict of Interest - Disclosure Statement.** Proposers must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the proposer and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a proposer tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Department will determine whether any disclosed conflict of interest poses a substantial advantage to the proposer over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. In the absence of any conflict of interest, a proposer must affirm such in the disclosure statement. *Example: "[name of proposer] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."*

The Legal Name and Address of the proposer must appear in the upper left corner of the envelope, package or box. The RFP Name or Number must be clearly displayed on the envelope, package or box. Such a proposal may be accepted by the Department as a clerical function, but will not be evaluated. At the discretion of the Department, such a proposal may be either destroyed or retained for pick up by the submitters.

■ E. EVALUATION OF PROPOSALS

1. **Evaluation Process.** It is the intent of the Department to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. When evaluating proposals, negotiating and awarding contracts, the Department will conform with its written procedures for POS procurements (pursuant to C.G.S. § 4-217) and the State's Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85).
2. **Screening Committee.** The Department will designate a Screening Committee to evaluate proposals submitted in response to this RFP. The contents of all submitted proposals, including any confidential information, will be shared with the Screening Committee. Only proposals found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Proposals that fail to comply with all instructions will be rejected without further consideration. Attempts by any proposer (or representative of any proposer) to contact or influence any member of the Screening Committee may result in disqualification of the proposer.
3. **Minimum Submission Requirements.** All proposals must comply with the requirements specified in this RFP. To be eligible for evaluation, proposals must (1) be received on or before the due date and time; (2) meet the Proposal Format requirements; (3) follow the required Proposal Outline; and (4) be complete. Proposals that fail to follow instructions or satisfy these minimum submission requirements will not be reviewed further. The Department will reject any proposal that deviates significantly from the requirements of this RFP.
4. **Evaluation Criteria (and Weights).** Proposals meeting the Minimum Submission Requirements will be evaluated according to the established criteria. The criteria are the objective standards that the Screening Committee will use to evaluate the technical merits of the proposals. Only the criteria listed below will be used to evaluate proposals. Interpretation of these criteria will be established by the Screening Committee prior to receipt of proposals. The criteria are weighted according to their relative importance. The weights are disclosed below.
 - Organizational Profile
 - Scope of Services (weighted at a factor of 3)
 - Staffing Plan (*see note*) (weighted at a factor of 1)
 - Data and Technology (weighted at a factor of 1)
 - Subcontractors (weighted at a factor of 1)
 - Work Plan (weighted at a factor of 2)
 - Financial Profile (weighted at a factor of 1)
 - Budget and Budget Narrative (weighted at a factor of 2)
 - Appendices (weighted at a factor of 1)

Note: As part of its evaluation, the Screening Committee will consider the proposer's demonstrated commitment to affirmative action, as required by the Regulations of CT State Agencies § 46A-68j-30(10).

- 5. Proposer Selection.** Upon completing its evaluation of proposals, the Screening Committee will submit the rankings of all proposals to the Department head. The final selection of a successful proposer is at the discretion of the Department head. Any proposer selected will be so notified and awarded an opportunity to negotiate a contract with the Department. Such negotiations may, but will not automatically, result in a contract. Pursuant to Governor M. Jodi Rell's Executive Order No. 3, any resulting contract will be posted on the State Contracting Portal. All unsuccessful proposers will be notified by e-mail or U.S. mail, at the Department's discretion, about the outcome of the evaluation and proposer selection process.
- 6. Debriefing.** Within ten (10) days of receiving notification from the Department, unsuccessful proposers may contact the Official Contact and request information about the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope sent by the Department will be considered "day one" of the ten (10) days. If unsuccessful proposers still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Department to discuss the evaluation process and their proposals. If held, the debriefing meeting will not include any comparisons of unsuccessful proposals with other proposals. The Department will schedule and hold the debriefing meeting within fifteen (15) days of the request. The Department will not change, alter, or modify the outcome of the evaluation or selection process as a result of any debriefing meeting.
- 7. Appeal Process.** Proposers may appeal any aspect the Department's competitive procurement, including the evaluation and proposer selection process. Any such appeal must be submitted to the Department head with a copy of the appeal being sent to the Official Contact. A proposer may file an appeal at any time after the proposal due date, but not later than thirty (30) days after an agency notifies unsuccessful proposers about the outcome of the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope sent by the Department will be considered "day one" of the thirty (30) days. The filing of an appeal shall not be deemed sufficient reason for the Department to delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an appeal may be obtained from the Official Contact.
- 8. Contract Execution.** Any contract developed and executed as a result of this RFP is subject to the Department's contracting procedures, which may include approval by the Office of the Attorney General.

II. MANDATORY PROVISIONS

■ A. POS STANDARD CONTRACT, PARTS I AND II

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with the provisions of Parts I and II of the State's "standard contract" for POS:

Part I of the standard contract is maintained by the Department and will include the scope of services, contract performance, quality assurance, reports, terms of payment, budget, and other program-specific provisions of any resulting POS contract. A sample of Part I is available from the Department's Official Contact upon request.

Part II of the standard contract is maintained by OPM and includes the mandatory terms and conditions of the POS contract. Part II is available on OPM's website at: http://www.ct.gov/opm/fin/standard_contract

Note:

Included in Part II of the standard contract is the State Elections Enforcement Commission's (SEEC) notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a proposer is awarded an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the proposer must inform the proposer's principals of the contents of the SEEC notice.

Part I of the standard contract may be amended by means of a written instrument signed by the Department, the selected proposer (contractor), and, if required, the Attorney General's Office. Part II of the standard contract may be amended only in consultation with, and with the approval of, the Office of Policy and Management and the Attorney General's Office.

■ B. ASSURANCES

By submitting a proposal in response to this RFP, a proposer implicitly gives the following assurances:

1. **Collusion.** The proposer represents and warrants that the proposer did not participate in any part of the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance. The proposer further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the proposer's proposal. The proposer also represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.
2. **State Officials and Employees.** The proposer certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the proposer, contractor, or its agents or employees.
3. **Competitors.** The proposer assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. No attempt has been made, or will be made, by the proposer to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The proposer further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the proposer knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor. This section shall not apply when proposals are being submitted to operate a collaborative program provided by one or more separate entities.

4. **Validity of Proposal.** The proposer certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. The proposal shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Department may include the proposal, by reference or otherwise, into any contract with the successful proposer.
5. **Press Releases.** The proposer agrees to obtain prior written consent and approval of the Department for press releases that relate in any manner to this RFP or any resultant contract.

■ **C. TERMS AND CONDITIONS**

By submitting a proposal in response to this RFP, a proposer implicitly agrees to comply with the following terms and conditions:

1. **Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
2. **Preparation Expenses.** Neither the State nor the Department shall assume liability for expenses incurred by proposers in preparing, submitting, or clarifying proposals submitted in response to this RFP.
3. **Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Proposers are liable for any other applicable taxes.
4. **Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
5. **Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Department may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Department, and at the proposer's expense.
6. **Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Department. The Department may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Department. At its sole discretion, the Department may limit the number of proposers invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per proposer.
7. **Presentation of Supporting Evidence.** If requested by the Department, a proposer must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Department may make onsite visits to an operational facility or facilities of a proposer to evaluate further the proposer's capability to perform the duties required by this RFP. At its discretion, the Department may also check or contact any reference provided by the proposer.
8. **RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Department or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Department and, if required, by the Attorney General's Office.

■ D. RIGHTS RESERVED TO THE STATE

By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:

1. **Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Department.
2. **Amending or Canceling RFP.** The Department reserves the right to amend or cancel this RFP on any date and at any time, if the Department deems it to be necessary, appropriate, or otherwise in the best interests of the State.
3. **No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Department may reopen the procurement process, if it is determined to be in the best interests of the State.
4. **Award and Rejection of Proposals.** The Department reserves the right to award in part or reject proposals in whole or in part for misrepresentation, or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Department may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Department reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.
5. **Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to publish, distribute, or disseminate any or all information or reports, or part thereof, shall accrue to the State without recourse.
6. **Contract Negotiation.** The Department reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The Department further reserves the right to contract with one or more proposer for such services. After reviewing the scored criteria, the Department may seek Best and Final Offers (BFO) on cost from proposers. The Department may set parameters on any BFOs received.
7. **Clerical Errors in Award.** The Department reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.
8. **Key Personnel.** When the Department is the sole funder of a purchased service, the Department reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Department also reserves the right to approve replacements for key personnel who have terminated employment. The Department further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the Department.

■ E. STATUTORY AND REGULATORY COMPLIANCE

By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with all applicable State and federal laws and regulations, including, but not limited to, the following:

1. **Freedom of Information, C.G.S. § 1-210(b).** FOIA generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Proposers are generally advised not to include in their proposals any confidential information. If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.
2. **Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to insure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.
3. **Consulting Agreements, C.G.S. § 4a-81.** Proposals for State contracts with a value of \$50,000 or more in a calendar or fiscal year, excluding leases and licensing agreements of any value, shall include a consulting agreement affidavit attesting to whether any consulting agreement has been entered into in connection with the proposal. As used herein "consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (A) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (B) contacting, whether in writing or orally, any executive, judicial, or administrative office of the State, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction, requests for information or (C) any other similar activity related to such contract. Consulting agreement does not include any agreements entered into with a consultant who is registered under the provisions of C.G.S. Chapter 10 as of the date such affidavit is submitted in accordance with the provisions of C.G.S. § 4a-81. The Consulting Agreement Affidavit (Ethics Form 5) is available on OPM's website at http://www.ct.gov/opm/fin/ethics_forms

Municipalities and CT State agencies are exempt from this requirement. III. PROGRAM INFORMATION

■ A. DEPARTMENT OVERVIEW

This RFP is being issued in keeping with the Department's mission which states, 'The Department of Correction shall protect the public, protect staff and provide safe, secure and humane supervision of offenders **'with opportunities that support successful community reintegration.'**

The Department has operated a wide variety of community residential and non-residential programs for over 30 years. These programs have served to assist with the structured and supervised reintegration of offenders into their communities. In July of 2009, through a competitive procurement process, the Department restructured the statewide network of services available to offenders released prior to the completion of their sentences. The newly implemented community network offers a comprehensive and integrated system of care that standardizes components of both residential and non-residential programs, eliminates redundancy in contracted programs and strengthens collaborative relationships between Department staff and contracted providers within each Parole District, which increases the likelihood of an offender's successful reintegration.

Currently, the Department does not operate a residential program specifically designated for sex offenders, although the Department does collaborate with The Judicial Branch, Court Support Services Division on the provision of a non-residential sex offender program, contracted through The Connection, Inc., for treatment of such offenders. The Department has identified sex offenders as a target population in need of residential services upon reentry into the community. Placement preference may be given to those sex offenders identified by the Department as being in need of housing upon release.

■ B. PROGRAM OVERVIEW

Through this RFP, the Department is seeking to establish a twelve (12) bed, congregate residential male sex offender treatment program anywhere within Connecticut. The Department does not anticipate that more than one (1) award will be made as a result of this RFP.

■ C. MAIN PROPOSAL COMPONENTS

1. Organizational Requirements

- (a) Purpose / Mission / Philosophy: Briefly describe the purpose, mission and philosophy of the agency and the proposed program. The Department envisions this program to be designed to assist sex offenders in obtaining sustainable employment while providing baseline case management and treatment services in a staff-secure congregate setting to support successful reintegration into the community upon the offender's release.
- (b) Entity Type / Years of Operation: Please provide a brief history of the agency and the proposed program. Proposer must be established as a private, non-profit organization, state agency or unit of local government prior to submission of a proposal, and must provide proof of such status in Section H of the proposal.
- (c) Administrative Office Location: Please provide the location of the agency's administrative offices.
- (d) Qualifications / Certification / Licensure: Please describe your agency's experience providing the kinds of services being requested through this RFP. If the agency or program being proposed holds any certifications or licensures, please detail the type and how long it has been held.
- (e) References: If you do not currently or have not in the past 3 years provided contracted services to the Department, at least two reference letters must be included in Section H of the proposal to support the description of your experience in providing these services. Letters must include agency name, contact name, mailing address, phone number and email address of the writer. Letter must also include the nature of the writer's relationship with the proposer and the extent of the proposer's

provision of services to the writer. This is **NOT** a Letter of Support. The writer must be able to detail a prior relationship of services provided.

2. Service Requirements

Proposals should address each of the following areas. Indicate if your proposed program will deliver a service directly (D), through referral (R) or will not provide the service (NA).

- (a) Referral Process: Decisions regarding acceptance or rejection of referral packages must be communicated to the Department not more than 5 days after receipt of the package. If no decision is rendered, the Department will consider the offender accepted and make appropriate arrangements for transfer to the program.
- (b) Number and Type of Clients to be Served: The Department is requesting services for male offenders, age eighteen (18) and older. Please detail age requirements of clients accepted into the program. Include total number of beds proposed through this RFP, total number of beds in the program and who utilizes beds not proposed for purchase by the Department.
- (c) Date of Program Availability: Proposals must detail the timelines leading up to the date that the program will begin accepting offenders. The Department anticipates a contract award date of July 1, 2010.
- (d) Location of Proposed Services: Proposers are not required to obtain possession of physical space or zoning compliance prior to submission of a proposal, although preference will be given to proposals indicating possession of space and zoning compliance. The Department will require retention of space and proof of zoning compliance in accordance with local regulations prior to contract execution.

If space and zoning is not secured at the time of proposal submission, the proposer must affirm that both will be obtained prior to program availability. The Department reserves the right to cancel any negotiations or subsequent contracts if the proposer fails to obtain space or zoning. Furthermore, the Department reserves the right to deem a proposed site as unsuitable for the operation of a residential program.

- Describe the physical location of the proposed site as well as the surrounding area.
 - Does your agency currently control the site? If no, provide details of how and when the site will be available.
 - Has appropriate zoning been secured for the site? If yes, provide proof of approved zoning in Section H of the proposal; if no, provide details of how and when zoning approval is anticipated.
 - Is the site fully compliant with ADA standards? If no, describe degree to which the site is ADA compliant and plans for enhancing such compliance.
 - Does the program site share space with any other program, agency, business, residence, etc.? If yes, detail who/what occupies the site.
- (e) Collaboration with Treatment Providers: Treatment associated with the sexual offense or problematic sexual behavior of the offender will be provided by The Connection, Inc. The provider awarded the right to negotiate a contract for services through this RFP will be expected to maintain a contractual relationship with The Connection, Inc. for appropriate treatment services. Such contractual relationship, including funds associated with the services to be provided must be clearly explained in the proposal. The Department prefers that treatment provided by The Connection, Inc. be provided at the residential program site operated by the contractor chosen as a result of this RFP.
 - (f) Room and Board: Provide the average length of stay needed for offender completion of the program, as well as the maximum length of stay for each offender. The Department will not be responsible for payment of services to offenders exceeding the maximum length of stay. The Department has established an average length of stay of 120-180 days for residential sex offender treatment programs.

- (g) Accountability: The Department will require that this program provide 24/7 operation and staff-secure supervision. Proposals must demonstrate measures taken to assure the proper supervision of residents at all times. This includes time periods when the offender is off-site. (job search, medical appointments, etc.) Proposals should clearly define methods of assuring 24/7 accountability of offenders. The Department reserves the right to enter the program at any time, for any reason without prior notification to the contractor.
- (h) Intake/Orientation: Please describe the process followed for each intake, as well as the topics covered during the orientation period. Orientation periods must include a needs assessment by a validated assessment tool similar to the Level of Services Inventory Revised (LSI-R).
- (i) Development of Individual Treatment Plans: Program staff, in conjunction with the offender and The Connection, Inc. staff, should work together to develop an Individual Treatment Plan that addresses the offender's primary criminogenic needs. The plan should incorporate information obtained from assessments, and should identify needed services and goals. The provider will be expected to provide case management, cognitive behavioral groups and behavioral health groups not related to the sexual offense of the client.
- (j) Employment Assistance: Proposals must describe the modalities by which the program will provide job development, job readiness and job retention.
- Job Development
Programs should actively pursue employment opportunities for offenders, utilizing community outreach to employers. Emphasis should be placed on recruitment of employers willing to provide sustained and meaningful employment for offenders.
 - Job Readiness
Programs should include a component that assists offenders with the development of skills designed to promote their employability. This may include:
 - Employment counseling
 - Career counseling
 - Job search techniques
 - Employability skills training
 - Resume assembly
 - Interviewing skills
 - Application preparation
 - Transportation arrangements
 - Job Retention
Programs should work with offenders to develop job retention techniques. Programs should also work closely with employers to gain feedback on the offender's performance of his/her duties.
- (k) Behavioral Health Services: Proposals must describe the program's capability of and plans for providing substance abuse treatment and counseling services as well as mental health screenings, evaluations and treatment.
- (l) Case Management Services: Proposals must describe their plans for the provision of case management services including but not limited to:
- Vocational Training
 - Educational Advancement
 - Oversight of Offender Monies
This component is mandatory. Upon employment, contractors will be expected to establish a savings account for each offender. Specific guidelines for offender savings accounts are defined in Section I.B (8&9) of this RFP.
 - Referrals
 - Drug Testing

Describe your agency's policies and procedures regarding urine testing of CTDOC offenders. This procedure is mandatory.

- **Transportation**
Programs awarded as a result of this RFP will be expected to provide a method of transportation for offenders. This includes transportation to/from medical appointments, job interviews, etc.
- **Counseling**
- **Crisis Intervention Services**
- **Discharge Planning**
In conjunction with the offender's Individual Treatment Plan, program staff should work collaboratively with the offender to develop a Discharge Plan. The Discharge Plan should include permanent housing upon release, benefits eligibility, linkage to local community agencies, etc. The plan may include subsidies in the form of vouchers for housing. Preference will be given to those proposals demonstrating a program designed to find housing for offenders upon release from the residential program. Costs for operation of this component must be detailed in the budget section of this RFP.
- **Aftercare**

- (m) **Community Advisory Board:** Proposals must demonstrate linkages to the community through the establishment of entities such as a Community Advisory Board. Such board, or other entity, should be comprised of local community officials, such as police officials, community leaders, housing officials, neighborhood representatives, etc. This Advisory Board need not have official capacity in the oversight of the program, but should be utilized to further enhance relationships between the Department, the Provider and the Community.

The Community Advisory Board should also provide periodic informational sessions designed to educate the community regarding residential placement of sex offenders, and may be required to work collaboratively with other entities to increase public awareness and provide public education regarding reintegration of offenders convicted of sexual offenses.

- (n) **Evidence-Based Programming:** The proposal must describe the extent to which services are evidence-based and how that determination was made. Describe what evidence-based curricula are being utilized. Please cite specific research, papers, journals, etc. Copies of the cited literature will be requested, if necessary. **Do Not** include them with the proposal. Proposals do not need to provide detail on the extent of evidence-based programming for the offender's sexual offense, as these services will be provided by The Connection, Inc.
- (o) **Internal Security Measures:** The proposal must clearly describe all internal security measures.
- (p) **Eligibility and Exclusions:** The proposal must clearly define all eligibility criteria and must identify and define any categories of offenders that would be excluded from the proposed program. All exclusions must be fully explained, including rationale for exclusion. Preference will be given to proposers demonstrating the least restrictive eligibility and exclusion criteria. Release status of the offender is not an acceptable criterion for eligibility or exclusion. Offenders should be accepted into the program regardless of custody status.

3. Staffing Requirements

The Department will require that this program be staffed with a minimum of 2 staff on-site at all times.

Proposers must describe the staff categories to be assigned to this project, including the extent to which they have the appropriate training and experience to perform assigned duties. The proposal must describe the extent to which staff is multi-lingual and multi-cultural. Job descriptions, minimum qualifications, licensing requirements, hours per week and hourly wages must be provided for all staff categories assigned to this project. Please do not include resumes. If the staff person to be assigned to the position is known at the time of proposal submission, a brief narrative summarizing that person's qualifications is sufficient.

Proposals must also include a staff retention plan detailing measures taken to reduce staff turnover.

4. Data and Technology Requirements

Proposers must describe the extent to which the agency and the proposed program have the capability to access the internet, send/receive outside email and view PDF documents.

Performance Outcome Measures will be developed collaboratively with the Department after contract execution. Reporting requirements will be determined by the Department. The Department will require electronic submission of all Agency and Program-Specific Policies and Procedures after contract execution.

D. COST PROPOSAL COMPONENT

1. Financial Requirements

Proposers must submit cover letters from their auditor for the last 3 annual audits of their agency. Letters must be included in Section H of the proposal. If less than 3 audits were conducted, please detail why.
