THE SOLE LANGUAGE CHANGE TO THIS RFP IS AS FOLLOWS: The Department of Correction is not seeking proposals strictly for residential Mental Health programs. The following sentence has been removed from Section III., 11 “The staffing pattern should be consistent with that required for the comprehensive treatment and supervision of a serious and persistently mental ill population.” As noted above, dates have been adjusted. Otherwise, the RFP remains unchanged.

I. Department Needs

- A. The Connecticut Department of Correction (CTDOC) is seeking **Re-Entry Residential Services Programs** for offenders released into the community prior to the termination of their sentences.

CTDOC has established the following capacity targets:

Meriden – 10 beds
New Britain – 10 beds
Bristol – 10 beds
Danbury – 10 beds
Torrington – 10 beds
Danielson/Putnum – 5 beds
Willimantic – 10 beds
Stamford – 15 beds

While these locations and numbers of beds are targets established by CTDOC, the Department invites and encourages proposals from other areas and/or with different bed availabilities.

The Department of Correction is seeking programs for either male or female offenders. Programs may be either single or mixed gender programs.

II. Background

The Department of Correction has operated a wide variety of community residential and non-residential programs for over 30 years. These programs serve to assist in the reintegration of offenders into their communities in a structured and supervised manner.

In addition, programs assist in the management of an ever-growing prison population by allowing the appropriate release of offenders who have been screened and approved for such release.

III. Proposal Content Requirements and Format

Proposals must be submitted in the format and, where provided, on the forms included in this RFP. All requirements of this RFP must be met. All pages must be numbered. You may not combine proposed programs. Each proposed program must be addressed separately.

3. Employment
4. Mental Health Services

The Department is seeking, where possible, flexibility in the program length. Preferred programs will provide both short term and long term opportunities. For the purpose of this RFP, “short term” means 2-5 months and “long term” means 5-8 months.

Selected program(s) should have a multidisciplinary staff group that is sensitive to cross cultural treatment.

For programs proposing to provide services to both male and female offenders, you must fully describe the steps you will take to assure appropriate separation. Include a clear description of any programs or activities that may occur as co-ed.

- C. Staffing** - The proposal must describe the staff to be assigned to this project, including the extent to which they have the appropriate training and experience to perform assigned duties. Job descriptions, hours per week and hourly rates must be provided for all staff categories assigned to this project.
- D. Evidence Based Programming** – The proposal must describe the extent to which it is evidence-based and how that determination was made. Please cite specific research, papers, journals, etc. Copies of the cited literature will be requested, if necessary. Do not include them with the proposal.
- E. Proposed Impact on Recidivism** – The proposal should describe the anticipated impact on recidivism. Please describe the rationale for this anticipation, citing specific research, papers, journals, etc. Copies of the cited literature will be requested, if necessary. Do not include them with the proposal.
- F. Assurances** - The proposal must include a statement of adherence to Assurances described in this RFP.
- G. Eligibility and Exclusions** – The proposal must clearly define all eligibility criteria and must identify any categories of offenders that would be excluded from the proposed program. All exclusions must be fully explained.
- H. Budget** - Proposal must contain an itemized budget on the budget form included in this RFP.

All costs (travel, printing, supplies, etc.) must be included in the contract price. All start up costs must be clearly identified in a budget narrative.

Competitiveness of the budget will be considered as part of the proposal review process. Please identify all other funding that will support this program, including provider agency financial support. Include the source, period and amount of any such funding.

The State of Connecticut is exempt from excise, transportation and sales taxes imposed by the Federal and/or state government. Such taxes must not be included in contract prices.

The maximum amount of the bid may not be increased after the proposal is submitted. All cost estimates will be considered as “not to exceed” quotations. However, the proposed budget is subject to change during the contract award negotiations.

The budget must make note of any proposed or anticipated subcontracts. The selected Contractor must provide the Department with a complete description of any subcontract anticipated in the provision of services described in their proposal. All information required of the contractor must be applied to the subcontractor as well.

IV. Proposal Requirements

1. Proposal must be completed in the format described and meet all requirements of this RFP.
2. Proposal must be signed by an authorized official of the applicant organization.
3. An original and four copies of the completed proposal must be received no later than 3:00 p.m., October 10, 2006, at the address and person identified on page 1 of this RFP.
4. Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by CTDOC.
5. Notification of outcome of proposal review will be mailed to all applicants on or about October 30, 2006. Anticipated funding of new programs or expansion to begin on or about January 1, 2007. By mutual agreement, programs may start earlier.

V. Supervision

Supervision of any awarded program will be provided by the Director of Parole and Community Services, who reports directly to the Commissioner. Contract compliance and administration will be provided through the Department of Correction Deputy Commissioner of Administration.

VI. Review Criteria

Proposals submitted in response to this notice will be reviewed in two steps; first, to determine whether the Minimum Requirements have been met; second, to determine the Technical Merit of the proposals and the extent to which they meet the goals and intent of the RFP.

A. Minimum Requirements - Proposals will be screened for completeness and compliance with the requirements specified in the RFP. Applicants who fail to follow instructions or to include all required elements will be deemed incomplete and removed from further review.

B. Technical Requirements - Complete proposals will be reviewed for technical merit based on the following criteria:

1. The extent to which the applicant has demonstrated successful experience providing substantially similar services. Priority will be given to applicants who have successfully provided those services most closely related to services sought through this RFP.
2. The extent to which references provided support the applicants success in providing substantially similar services.
3. The extent to which services to be provided are described clearly and cover all requirements outlined in the RFP.
4. The extent to which adequate time is allocated to manage the services to be provided.

5. The extent to which the profile of staff who will be working on this project is clear and adequate to manage the services to be provided.
6. The extent to which a thorough workplan is presented, with measurable objectives and specific, appropriate timelines.
7. The extent to which a cost-effective budget is presented.
8. The competitiveness of the proposal.

C. Review Process - Proposals which meet the minimum requirements will be reviewed by a panel of appropriate staff and/or outside experts. Recommendations concerning the selection of a proposal for funding will be made by this panel. The final selection is at the discretion of the Commissioner.

A notification of the outcome of proposals will be mailed to all applicants on or about October 30, 2006.

No financial obligation by the State will be incurred prior to the full execution of a contract.

VII. Compliance with Applicable Statutes and Regulations

The applicant is required to be in compliance with all applicable Federal and State statutes and regulations. These include, but are not limited to, all Affirmative Action and Non-discrimination rules and regulations. The Department will provide all necessary forms for the documentation of compliance with any contractual agreements with the Department.

Moreover, in accordance with Section 4a-60(a) of the Connecticut General Statutes, the awardee shall agree and warrant that in the performance of this award, he/she will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, sexual orientation, mental retardation, mental or physical disability, unless it is shown by the awardee that such disability prevents performance of the work involved, in any manner prohibited by the laws of the United States and the State of Connecticut.

The awardee shall further agree to provide the Commission on Human Rights and Opportunities with such information requested by the Commission concerning the employment practices and procedures of the awardee as they relate to the provisions of Section 4a-60 and Regulations of Connecticut State Agencies, Sections 46a-68J-2 to 46a-68K-8.

VIII. Affirmative Action Notice

The State of Connecticut strongly supports the concept and implementation of affirmative action to overcome the present effects of past discrimination. The Department urges its bidders, suppliers, contractors and awardees to implement affirmative action plans and programs of their own, and hereby notifies all bidders, suppliers, contractors and awardees that the Department will not knowingly do business with, or make awards to, any individual or organization excluded from participation in any federal or state contract program, or found to be in violation of any state or federal anti-discrimination law.

IX. Assurances

All proposers must agree to adhere to the following conditions and **must positively state such in the proposal**:

- C. **Reports and Information** – Proposer acknowledges that any contract with the CTDOC will require appropriate information, as determined by the CTDOC, with all billing.

Contractor shall permit access by staff/agents properly authorized by the CTDOC to the contractor's premises, staff and participants and financial records, at any reasonable time.

The right to publish, distribute or disseminate any and all information or reports, or any part thereof, shall accrue to the CTDOC without recourse. Contractors shall maintain written records to substantiate costs incurred under any contract.

- D. **Timing and Sequence** - Timing and sequence of events resulting from this RFP will ultimately be determined by the State.
- E. **Stability of Proposed Prices** - Any price offerings from applicants must be valid for a period of 120 days from the due date of applicant proposals. In the event of a discrepancy between the unit price and the extension, the lower price shall govern.
- F. **Oral Agreements** - Any alleged oral agreement or arrangement made by an applicant with any agency or employee will be superseded by the written agreement. Communications, written or oral, with any CTDOC employee other than the designated contact, concerning this RFP, may terminate a proposers eligibility to submit a response.
- G. **Amending or Canceling Requests** - The State reserves the right to amend or cancel this RFP at its discretion, prior to the due date and time, and/or at any point to the issuance of the written agreement, if it is in the best interests of the agency and/or the State.
- H. **Rejection for Default, Misrepresentation or Incomplete Submission** - The State reserves the right to reject the proposal of any applicant which is in default of any prior contract or for misrepresentation. The State reserves the right to reject incomplete proposals.

- K. **Applicant Presentation of Supporting Evidence** - An applicant, if requested, must be prepared to present evidence of experience, ability, service facilities, and financial standing necessary to satisfactorily meet the requirements set forth or implied in the RFP.
- L. **Changes to Proposals** - No additions or changes to the original proposal will be allowed after submittal, unless specifically requested by the Department.
- M. **Collusion** - By responding, the applicant implicitly states that the proposal is not made in connection with any competing applicant submitting a separate response to the RFP, and is in all respects fair and without collusion or fraud. It is further implied that the applicant did not participate in the RFP development process, had no knowledge of the specific contents of the RFP prior to its issuance, and that no employee of the agency participated directly or indirectly in the applicant's proposal preparation.
- N. **Subcontracting** - In a multi-contractor situation, the Department requires a single point of responsibility and accountability.
- O. **Gift Affidavit** - Connecticut General Statute § 4-252 (the "Statute") requires that the Invitation to Bid, of which these Terms and Conditions are a part, include a notice of the vendor certification requirements described in the Statute. Accordingly, pursuant to the Statute, vendors are notified as follows:
- (a) The terms "gift," "quasi-public agency," "state agency," "large state contract," "principals and key personnel" and "participated substantially" as used in this section shall have the meanings set forth in the Statute.

- (2) That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any

other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and

(3) That the person, firm or corporation made the bid or proposal without fraud or collusion with any person.

(d) Any bidder/proposer that does not make the certifications required under subsection (c) of this section shall be disqualified and the state agency or quasi-public agency shall award the contract to the next highest ranked proposer or the next lowest responsible qualified bidder or seek new bids or proposals.
