The LOI must be submitted to the Official Contact identified in Section C.1 of this RFP. LOI's may be submitted by US mail, fax, or e-mail by the deadline established in the Procurement Schedule. The LOI must clearly identify the sender, including agency name, contact

Failure to submit the required LOI in accordance with the requirements set forth herein shall result in disqualification from further consideration.

**8. Inquiry Procedures.** All questions regarding this RFP or the Department's procurement process must be directed, in writing, to the Official Contact before the deadline specified in the Procurement Schedule. The early submission of questions is encouraged. Questions will not be accepted or answered verbally – neither in person nor over the telephone. All questions received before the deadline will be answered. However, the Department will not answer questions when the source is unknown (i.e., nuisance or anonymous questions). Questions deemed unrelated to the RFP or the procurement process will not be answered. At its discretion, the Department may or may not respond to questions received after the deadline. If the Department chooses to answer questions received after the deadline, the question and the answer will be made available to all proposers or prospective proposers. The Department reserves the right to answer questions only from those who have submitted an LOI. The Department may combine similar questions and give only one answer. All questions and answers will be compiled into a written amendment to this RFP. If any answer to any question constitutes a material change to the RFP, the question and answer will be placed at the beginning of the amendment and duly noted as such. The Department will release the answers to questions on the dates established in the Procurement Schedule. The Department will publish any and all amendments to this RFP on the State Contracting Portal and the Department's Web Site.

**9. RFP Conference.** An RFP conference will be held to answer questions from prospective proposers. Attendance at the conference is **mandatory**. Prospective proposers who are not physically represented at the conference are automatically disqualified and ineligible to submit proposals. Copies of the RFP will not be available at the RFP Conference. Prospective proposers are asked to bring a copy of the RFP and writing instruments to the conference. At the conference, attendees will be provided an opportunity to submit written or verbal questions, which the Department's representatives may (or may not) answer at the conference. Any verbal answers given at the conference by the Department's representatives are tentative and not binding on the Department. All questions submitted will be answered in a written amendment to this RFP, which will serve as the Department's official response to questions asked at the conference. If any answer to any question constitutes a material change to the RFP, the question and answer will be placed at the beginning of the amendment and duly noted as such. The agency will release the amendment on the date established in the Procurement Schedule. The Department will publish any and all amendments to this RFP on the State Contracting Portal and, if available, on the Department's Web Site.

- Conference Date: April 7, 2010
- Time/Location: TBD (specifics will be emailed to prospective proposers who submitted an LOI)

**10. Proposal Due Date and Time.** The Official Contact is the **only authorized recipient** of proposals submitted in response to this RFP. Proposals must be **received** by the Official Contact on or before the due date and time:

- Due Date: April 30, 2010
- Time: 3:00 PM

Faxed or e-mailed proposals will not be evaluated. When hand-delivering proposals by courier or in person, allow extra time due to building security procedures. The Department will not accept a postmark date as the basis for meeting the submission due date and time. Proposals received after the due date and time may be accepted by the Department as a clerical function, but late proposals will not be evaluated. At the discretion of the Department, late proposals will either be destroyed or retained for pick up by the submitters.

An acceptable submission must include the following:

- one (1) original proposal;
- five (5) conforming copies of the original proposal; and
- one (1) conforming electronic copy of the original proposal.

The original proposal must carry original signatures and be clearly marked on the cover as "Original." Unsigned proposals will not be evaluated. The original proposal and each conforming copy of the proposal must be complete, properly formatted and outlined, and ready for evaluation by the Screening Committee. The electronic copy of the proposal must be compatible with Microsoft Office Word 2007. For the electronic copy, whenever possible, required forms and appendices may be scanned and submitted in Portable Document Format (PDF) or similar file format.

**11. Multiple Proposals.** The submission of multiple proposals from the same proposer is permissible with this procurement.

**12. Declaration of Confidential Information.** Proposers are advised that all materials associated with this procurement are subject to the terms of the Freedom of Information Act (FOIA), the Privacy Act, and all rules, regulations and interpretations resulting from them. If a proposer deems that certain information required by this RFP is confidential, the proposer must label such information as CONFIDENTIAL. In Section C of the proposal submission, the proposer must reference where the information labeled CONFIDENTIAL is located in the proposal. *EXAMPLE: Section G.1.a.* For each subsection so referenced, the proposer must provide a convincing explanation and rationale sufficient to justify an exemption of the information from release under the FOIA. The explanation and rationale must be stated in terms of (a) the prospective harm to the competitive position of the proposer that would result if the identified information were to be released and (b) the reasons why the information is legally exempt from release pursuant to C.G.S. § 1-210(b).

**13. Conflict of Interest - Disclosure Statement.** Proposers must include a disclosure statement concerning any current business relationships (within the last three (3) years) that pose a conflict of interest, as defined by C.G.S. § 1-85. A conflict of interest exists when a relationship exists between the proposer and a public official (including an elected official) or State employee that may interfere with fair competition or may be adverse to the interests of the State. The existence of a conflict of interest is not, in and of itself, evidence of wrongdoing. A conflict of interest may, however, become a legal matter if a proposer tries to influence, or succeeds in influencing, the outcome of an official decision for their personal or corporate benefit. The Department will determine whether any disclosed conflict of interest poses a substantial advantage to the proposer over the competition, decreases the overall competitiveness of this procurement, or is not in the best interests of the State. In the absence of any conflict of interest, a proposer must affirm such in the disclosure statement. *Example: "[name of proposer] has no current business relationship (within the last three (3) years) that poses a conflict of interest, as defined by C.G.S. § 1-85."*

Further, the required Appendices or Forms must not be altered or used to extend, enhance, or replace any component required by this RFP. 8. **Packaging and Labeling Requirements.** All proposals must be submitted in sealed envelopes, packages or boxes and must be addressed to the Official Contact. The Legal Name and Address of the proposer must appear in the upper left corner of the envelope, package or box. The RFP Name or Number must be clearly displayed on the envelope, package or box. Any proposal that does not conform to these packaging or labeling instructions will be opened as general mail. Such a proposal may be accepted by the Department as a clerical function, but will not be evaluated. At the discretion of the Department, such a proposal may be either destroyed or retained for pick up by the submitters.

## ■ E. EVALUATION OF PROPOSALS

1. **Evaluation Process.** It is the intent of the Department to conduct a comprehensive, fair, and impartial evaluation of proposals received in response to this RFP. When evaluating proposals, negotiating and awarding contracts, the Department will conform to its written procedures for POS procurements (pursuant to C.G.S. § 4-217) and the State's Code of Ethics (pursuant to C.G.S. §§ 1-84 and 1-85).
2. **Screening Committee.** The Department will designate a Screening Committee to evaluate proposals submitted in response to this RFP. The contents of all submitted proposals, including any confidential information, will be shared with the Screening Committee. Only proposals found to be responsive (that is, complying with all instructions and requirements described herein) will be reviewed, rated, and scored. Proposals that fail to comply with all instructions will be rejected without further consideration. Attempts by any proposer (or representative of any proposer) to contact or influence any member of the Screening Committee will result in disqualification of the proposer.
3. **Minimum Submission Requirements.** All proposals must comply with the requirements specified in this RFP. To be eligible for evaluation, proposals must (1) be received on or before the due date and time; (2) meet the Proposal Format requirements; (3) follow the required Proposal Outline; and (4) be complete. Proposals that fail to follow instructions or satisfy these minimum submission requirements will not be reviewed further. The Department will reject any proposal that deviates significantly from the requirements of this RFP.
4. **Evaluation Criteria (and Weights).** Proposals meeting the Minimum Submission Requirements will be evaluated according to the established criteria. The criteria are the objective standards that the Screening Committee will use to evaluate the technical merits of the proposals. Only the criteria listed below will be used to evaluate proposals. Interpretation of these criteria will be established by the Screening

Committee prior to receipt of proposals. The criteria may be weighted according to their relative importance. The weights will be determined by the Screening Committee prior to receipt of proposals.

- Organizational Profile
- Scope of Services
- Staffing Plan (*see note*)
- Data and Technology
- Subcontractors
- Work Plan
- Financial Profile
- Budget and Budget Narrative
- Appendices

Note: As part of its evaluation, the Screening Committee will consider the proposer's demonstrated commitment to affirmative action, as required by the Regulations of CT State Agencies § 46A-68j-30(10).

5. **Proposer Selection.** Upon completing its evaluation of proposals, the Screening Committee will submit the rankings of all proposals to the Department head. The final selection of a successful proposer is at the discretion of the Department head. Any proposer selected will be so notified and awarded an opportunity to negotiate a contract with the Department. Such negotiations may, but will not automatically, result in a contract. Pursuant to Governor M. Jodi Rell's Executive Order No. 3, any resulting contract will be posted on the State Contracting Portal. All unsuccessful proposers will be notified by e-mail or U.S. mail, at the Department's discretion, about the outcome of the evaluation and proposer selection process.
6. **Debriefing.** Within ten (10) days of receiving notification from the Department, unsuccessful proposers may contact the Official Contact and request information about the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope sent by the Department will be considered "day one" of the ten (10) days. If unsuccessful proposers still have questions after receiving this information, they may contact the Official Contact and request a meeting with the Department to discuss the evaluation process and their proposals. If held, the debriefing meeting will not include any comparisons of unsuccessful proposals with other proposals. The Department will schedule and hold the debriefing meeting within fifteen (15) days of the request. The Department will not change, alter, or modify the outcome of the evaluation or selection process as a result of any debriefing meeting.
7. **Appeal Process.** Proposers may appeal any aspect the Department's competitive procurement, including the evaluation and proposer selection process. Any such appeal must be submitted to the Department head with a copy of the appeal being sent to the Official Contact. A proposer may file an appeal at any time after the proposal due date, but not later than thirty (30) days after an agency notifies unsuccessful proposers about the outcome of the evaluation and proposer selection process. The e-mail sent date or the postmark date on the notification envelope sent by the Department will be considered "day one" of the thirty (30) days. The filing of an appeal shall not be deemed sufficient reason for the Department to delay, suspend, cancel, or terminate the procurement process or execution of a contract. More detailed information about filing an appeal may be obtained from the Official Contact.
8. **Contract Execution.** Any contract developed and executed as a result of this RFP is subject to the Department's contracting procedures, which may include approval by the Office of the Attorney General.

## II. MANDATORY PROVISIONS

### ■ A. POS STANDARD CONTRACT, PARTS I AND II

*By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with the provisions of Parts I and II of the State's "standard contract" for POS:*

Part I of the standard contract is maintained by the Department and will include the scope of services, contract performance, quality assurance, reports, terms of payment, budget, and other program-specific provisions of any resulting POS contract. A sample of Part I is available from the Department's Official Contact upon request.

Part II of the standard contract is maintained by OPM and includes the mandatory terms and conditions of the POS contract. Part II is available on OPM's website at: [http://www.ct.gov/opm/fin/standard\\_contract](http://www.ct.gov/opm/fin/standard_contract)

Note:

Included in Part II of the standard contract is the State Elections Enforcement Commission's (SEEC) notice (pursuant to C.G.S. § 9-612(g)(2)) advising executive branch State contractors and prospective State contractors of the ban on campaign contributions and solicitations. If a proposer is awarded an opportunity to negotiate a contract with the Department and the resulting contract has an anticipated value in a calendar year of \$50,000 or more, or a combination or series of such agreements or contracts has an anticipated value of \$100,000 or more, the proposer must inform the proposer's principals of the contents of the SEEC notice.

Part I of the standard contract may be amended by means of a written instrument signed by the Department, the selected proposer (contractor), and, if required, the Attorney General's Office. Part II of the standard contract may be amended only in consultation with, and with the approval of, the Office of Policy and Management and the Attorney General's Office.

### ■ B. ASSURANCES

*By submitting a proposal in response to this RFP, a proposer implicitly gives the following assurances:*

1. **Collusion.** The proposer represents and warrants that the proposer did not participate in any part of the RFP development process and had no knowledge of the specific contents of the RFP prior to its issuance. The proposer further represents and warrants that no agent, representative, or employee of the State participated directly in the preparation of the proposer's proposal. The proposer also represents and warrants that the submitted proposal is in all respects fair and is made without collusion or fraud.
2. **State Officials and Employees.** The proposer certifies that no elected or appointed official or employee of the State has or will benefit financially or materially from any contract resulting from this RFP. The Department may terminate a resulting contract if it is determined that gratuities of any kind were either offered or received by any of the aforementioned officials or employees from the proposer, contractor, or its agents or employees.
3. **Competitors.** The proposer assures that the submitted proposal is not made in connection with any competing organization or competitor submitting a separate proposal in response to this RFP. No attempt has been made, or will be made, by the proposer to induce any other organization or competitor to submit, or not submit, a proposal for the purpose of restricting competition. The proposer further assures that the proposed costs have been arrived at independently, without consultation, communication, or agreement with any other organization or competitor for the purpose of restricting competition. Nor has the proposer knowingly disclosed the proposed costs on a prior basis, either directly or indirectly, to any other organization or competitor. This section shall not apply when proposals are being submitted to operate a collaborative program provided by one or more separate entities.

4. **Validity of Proposal.** The proposer certifies that the proposal represents a valid and binding offer to provide services in accordance with the terms and provisions described in this RFP and any amendments or attachments hereto. The proposal shall remain valid for a period of 180 days after the submission due date and may be extended beyond that time by mutual agreement. At its sole discretion, the Department may include the proposal, by reference or otherwise, into any contract with the successful proposer.
5. **Press Releases.** The proposer agrees to obtain prior written consent and approval of the Department for press releases that relate in any manner to this RFP or any resultant contract.

■ **C. TERMS AND CONDITIONS**

*By submitting a proposal in response to this RFP, a proposer implicitly agrees to comply with the following terms and conditions:*

1. **Equal Opportunity and Affirmative Action.** The State is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, or business practices. The State is committed to complying with the Americans with Disabilities Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.
2. **Preparation Expenses.** Neither the State nor the Department shall assume liability for expenses incurred by proposers in preparing, submitting, or clarifying proposals submitted in response to this RFP.
3. **Exclusion of Taxes.** The Department is exempt from the payment of excise and sales taxes imposed by the federal government and the State. Proposers are liable for any other applicable taxes.
4. **Proposed Costs.** No cost submissions that are contingent upon a State action will be accepted. All proposed costs must be fixed through the entire term of the contract.
5. **Changes to Proposal.** No additions or changes to the original proposal will be allowed after submission. While changes are not permitted, the Department may request and authorize proposers to submit written clarification of their proposals, in a manner or format prescribed by the Department, and at the proposer's expense.
6. **Supplemental Information.** Supplemental information will not be considered after the deadline submission of proposals, unless specifically requested by the Department. The Department may ask a proposer to give demonstrations, interviews, oral presentations or further explanations to clarify information contained in a proposal. Any such demonstration, interview, or oral presentation will be at a time selected and in a place provided by the Department. At its sole discretion, the Department may limit the number of proposers invited to make such a demonstration, interview, or oral presentation and may limit the number of attendees per proposer.
7. **Presentation of Supporting Evidence.** If requested by the Department, a proposer must be prepared to present evidence of experience, ability, data reporting capabilities, financial standing, or other information necessary to satisfactorily meet the requirements set forth or implied in this RFP. The Department may make onsite visits to an operational facility or facilities of a proposer to evaluate further the proposer's capability to perform the duties required by this RFP. At its discretion, the Department may also check or contact any reference provided by the proposer.
8. **RFP Is Not An Offer.** Neither this RFP nor any subsequent discussions shall give rise to any commitment on the part of the State or the Department or confer any rights on any proposer unless and until a contract is fully executed by the necessary parties. The contract document will represent the entire agreement between the proposer and the Department and will supersede all prior negotiations, representations or agreements, alleged or made, between the parties. The State shall assume no liability for costs incurred by the proposer or for payment of services under the terms of the contract until the successful proposer is notified that the contract has been accepted and approved by the Department and, if required, by the Attorney General's Office.

#### ■ D. RIGHTS RESERVED TO THE STATE

*By submitting a proposal in response to this RFP, a proposer implicitly accepts that the following rights are reserved to the State:*

1. **Timing Sequence.** The timing and sequence of events associated with this RFP shall ultimately be determined by the Department.
2. **Amending or Canceling RFP.** The Department reserves the right to amend or cancel this RFP on any date and at any time, if the Department deems it to be necessary, appropriate, or otherwise in the best interests of the State.
3. **No Acceptable Proposals.** In the event that no acceptable proposals are submitted in response to this RFP, the Department may reopen the procurement process, if it is determined to be in the best interests of the State.
4. **Award and Rejection of Proposals.** The Department reserves the right to award in part or reject proposals in whole or in part for misrepresentation, or if the proposal limits or modifies any of the terms, conditions, or specifications of this RFP. The Department may waive minor technical defects, irregularities, or omissions, if in its judgment the best interests of the State will be served. The Department reserves the right to reject the proposal of any proposer who submits a proposal after the submission date and time.
5. **Sole Property of the State.** All proposals submitted in response to this RFP are to be the sole property of the State. Any product, whether acceptable or unacceptable, developed under a contract awarded as a result of this RFP shall be the sole property of the State, unless stated otherwise in this RFP or subsequent contract. The right to publish, distribute, or disseminate any or all information or reports, or part thereof, shall accrue to the State without recourse.
6. **Contract Negotiation.** The Department reserves the right to negotiate or contract for all or any portion of the services contained in this RFP. The Department further reserves the right to contract with one or more proposer for such services. After reviewing the scored criteria, the Department may seek Best and Final Offers (BFO) on cost from proposers. The Department may set parameters on any BFOs received.
7. **Clerical Errors in Award.** The Department reserves the right to correct inaccurate awards resulting from its clerical errors. This may include, in extreme circumstances, revoking the awarding of a contract already made to a proposer and subsequently awarding the contract to another proposer. Such action on the part of the State shall not constitute a breach of contract on the part of the State since the contract with the initial proposer is deemed to be void *ab initio* and of no effect as if no contract ever existed between the State and the proposer.
8. **Key Personnel.** When the Department is the sole funder of a purchased service, the Department reserves the right to approve any additions, deletions, or changes in key personnel, with the exception of key personnel who have terminated employment. The Department also reserves the right to approve replacements for key personnel who have terminated employment. The Department further reserves the right to require the removal and replacement of any of the proposer's key personnel who do not perform adequately, regardless of whether they were previously approved by the Department.

#### ■ E. STATUTORY AND REGULATORY COMPLIANCE

*By submitting a proposal in response to this RFP, the proposer implicitly agrees to comply with all applicable State, federal laws and regulations and CTDOC Administrative Directives & Regulations, including, but not limited to, the following:*

1. **Freedom of Information, C.G.S. § 1-210(b).** FOIA generally requires the disclosure of documents in the possession of the State upon request of any citizen, unless the content of the document falls within certain categories of exemption, as defined by C.G.S. § 1-210(b). Proposers are generally advised not to

include in their proposals any confidential information. If the proposer indicates that certain documentation, as required by this RFP, is submitted in confidence, the State will endeavor to keep said information confidential to the extent permitted by law. The State has no obligation to initiate, prosecute, or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information pursuant to a FOIA request. The proposer has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. While a proposer may claim an exemption to the State's FOIA, the final administrative authority to release or exempt any or all material so identified rests with the State. In no event shall the State or any of its employees have any liability for disclosure of documents or information in the possession of the State and which the State or its employees believe(s) to be required pursuant to the FOIA or other requirements of law.

2. **Contract Compliance, C.G.S. § 4a-60 and Regulations of CT State Agencies § 46a-68j-21 thru 43, inclusive.** CT statute and regulations impose certain obligations on State agencies (as well as contractors and subcontractors doing business with the State) to insure that State agencies do not enter into contracts with organizations or businesses that discriminate against protected class persons.

### III. PROGRAM INFORMATION

#### ■ A. DEPARTMENT OVERVIEW

The Department operates 17 correctional facilities throughout the state. The current inmate population is approximately 18,350 inmates. The Department is required by state statute and by federal court precedent, to provide 'meaningful access to courts' for all inmates.

The Department of Correction is not dissatisfied with the current Inmate Legal Assistance program. However, current economic realities make it necessary to seek more cost effective program models.

Through a variety of court rulings, a standard of services for 'meaningful access to court' has been established. This RFP solicits programs designed to meet those standards in an efficient and cost effective manner.

#### ■ B. PROGRAM OVERVIEW

Through this RFP, the Department is seeking to establish a program to provide meaningful access to court for inmates incarcerated in Connecticut correctional facilities and limited services to Connecticut inmates incarcerated in other states.

The Department is seeking competitive bids from legal service or other organizations to facilitate access to court and legal assistance of a civil nature to offenders. The program goal is to provide offenders with access to court when challenging their sentences and to challenge the terms and conditions of their confinement. The direct representation of inmates is not required, *except in limited situations*.

The Department envisions a system whereby inmates are provided sufficient assistance to meet current legal requirements, without providing services or assistance not mandatory under current definitions. The Department foresees a program which may include pre-packaged forms and instructions for the filing of a majority of court documents.

A cost effective program may have limited reliance on attorney intervention but may rely more heavily on complaint review and assistance by paralegal staff members who are supervised by an attorney licensed in the state of Connecticut.

The Department is providing the following case references to assist in the development of a proposal. There are other cases which should be reviewed.

Bounds v. Smith, 430 U.S. 817, 821, 97 S. Ct. 1491, 52 L. Ed. 2d 72 (1977);  
Lewis v. Casey, 518 U.S. 343, 355, 116 S.Ct. 2174, 135 L. Ed. 2d 606 (1996).

"conditions of confinement:" Farmer v. Brennan, 511 U.S. 825, 832-34, 114 S.Ct. 1970, 128 L. Ed. 2d 811 (1994) (humane conditions of confinement consist of: provision of adequate food, clothing, shelter, medical care, "reasonable measures to guarantee the safety of the inmates."). Does NOT include other civil actions; e.g., real estate transactions, probate, "shareholder derivative actions [or] slip-and-fall claims."

Lewis v. Casey, 518 U.S. at 355. Except in cases involving inmates incarcerated at York Correctional Institution, a legal assistance program shall not provide assistance in family matters; e.g., divorce, custody, termination of parental rights.

#### ■ C. MAIN PROPOSAL COMPONENTS

##### 1. Organizational Requirements

- (a) Purpose / Mission / Philosophy: Briefly describe the purpose, mission and philosophy of the agency and the proposed program.

- (b) Entity Type / Years of Operation: Please provide a brief history of the agency and the proposed program.
- (c) Office Location: Please provide the location of the agency's administrative offices and the location from which the program will operate. Budgets must reflect all expenses associated with this location.
- (d) Qualifications / Certification / Licensure: Please describe your agency's experience providing the kinds of services being requested through this RFP. If the agency or program being proposed holds any certifications or licensures, please detail the type and how long it has been held.
- (e) References: If you do not currently or have not in the past 3 years provided contracted services to the Department, at least two reference letters must be included in Section H of the proposal to support the description of your experience in providing these services. Letters must include agency name, contact name, mailing address, phone number and email address of the writer. Letter must also include the nature of the writer's relationship with the proposer and the extent of the proposer's provision of services to the writer. This is **NOT** a Letter of Support. The writer must be able to detail a prior relationship of services provided.

**2. Service Requirements.** The scope of services includes the following:

- (a) Satisfying Prisoner Right of Access to Court: The proposer shall attest that they will provide assistance that is sufficient and adequate at all times to satisfy any legal requirements incumbent upon the Department concerning inmate rights of access to court, as has been determined by state and federal courts, including the U.S. Supreme Court. Describe how you have determined your capability to make this assurance.
- (b) Assistance in Preparation and Filing of Meaningful Legal Papers: Except as specifically provided for, assistance shall be limited to enabling inmates to prepare and file meaningful civil legal papers and may include such assistance as identifying, articulating and researching legal claims.
- (c) Assistance Limited to Terms and Conditions of Confinement and to Challenge Sentencing: Except as otherwise specifically provided herein, meaningful papers referred to are limited to those needed to give inmates a reasonably adequate opportunity to present to the courts, claimed violations of legal rights concerning only the terms and conditions of their confinement, and to challenge their sentences, as defined by relevant federal and state law. For example, civil actions concerning family matters, business matters, tax issues or security deposits are not related to the terms and conditions of confinement or sentencing.
- (d) No Assistance in Administrative Matters: This restriction on services also applies to administrative matters such as FOIA requests and appeals.
- (e) No Court Appearance or Representation (Limited Exceptions): Except as specifically outlined in this document, assistance under the contract shall not require or permit entering an appearance in the case or extend to actual trial or appellate proceedings or to proceedings ancillary thereto.
- (f) Representation of Offenders at York Correctional Institution: The contractor will also agree to provide for an attorney to **represent** female offenders at the York CI in family matters, such as divorces, child custody, DCF proceedings, and other civil matters. Unlike the assistance referred to above, such representation shall include entering an appearance in an offender's case and representing her in court in connection with the family matter referred to. An attorney shall be physically present at York CI at least 8 hours per week.
- (g) Representation at Parole Revocation and Rescission Hearings: The contractor will also agree to provide an attorney, as necessary, to represent offenders at parole revocation and rescission hearings, where legally required. Such representation will be provided only upon request and authorization of the Chairman of the Board of Pardons and Paroles.

- (h) Limited Services for Offenders Housed in Other States: Proposal must provide for limited services to inmates from other states confined in Connecticut facilities, as well as limited services for Connecticut inmates incarcerated in other states. Assistance, in all cases, shall be limited to matters concerning the conditions of confinement while incarcerated in Connecticut.
- (i) Exclusion for Represented Offenders: The legal services to be provided shall exclude any services in which an attorney is otherwise provided for by law or made available to offenders without cost to the offender, including, but not limited to, the State of Connecticut Division of Public Defender Services.
- (j) Provision of Extra-Contractual Services: There may be instances when the Commissioner or designee, in the interest of judicial or administrative economy, shall require legal assistance for prisoners in given case(s) to extend to trial and/or appellate or administrative services, including services ancillary thereto. In such event, the Commissioner, or designee, shall notify the contractor and upon such notification the contractor and the Department shall enter into negotiations for agreement outside the master contract for the provision of the requested services. In no case, however, shall the contractor be obligated to undertake to provide any legal assistance in instances wherein to do so would be contrary to an attorney's duty to abide by all applicable ethical standards, rules of court and/or to serve as an officer of the Court.
- (k) Date of Program Availability: Proposals must detail the timelines leading up to the date that the program will begin providing services to inmates. The Department anticipates a contract award date of July 1, 2010; though a contract beginning in June may be necessary to provide for a smooth transition to a new provider.

### 3. Staffing Requirements

Proposers must describe the staff categories to be assigned to this project, including the extent to which they have the appropriate training and experience to perform assigned duties. The proposal must describe the extent to which staff is multi-lingual and multi-cultural. Job descriptions, minimum qualifications, licensing requirements, hours per week and hourly wages must be provided for all staff categories assigned to this project. Please do not include resumes. If the staff person to be assigned to the position is known at the time of proposal submission, a brief narrative summarizing that person's qualifications is sufficient. Staffing must include at least one full time attorney who is a member in good standing with the Connecticut Bar.

Proposals must also include a staff retention plan detailing measures taken to reduce staff turnover.

Proposals must demonstrate the appropriate utilization of staff. For example, attorneys should not perform tasks which may be performed by paralegals or other support staff.

### 4. Data and Technology Requirements

Proposers must describe the extent to which the agency and the proposed program have the capability to access the internet, send/receive outside email and view PDF documents.

Proposers must describe how the program will provide for the installation and maintenance of a toll free telephone number to facilitate access to the program by all inmates. Where toll free access is not available, the proposer must describe another means for ensuring telephone access to the program for inmates.

Performance Outcome Measures will be developed collaboratively with the Department after contract execution. Reporting requirements will be determined by the Department. The Department will require electronic submission of all Agency and Program-Specific Policies and Procedures after contract execution.

**D. COST PROPOSAL COMPONENT**

**1. Financial Requirements**

Proposers must submit cover letters from their auditor for the last 3 annual audits of their agency. Letters must be included in Section H of the proposal. If less than 3 audits were conducted, please detail why.

All proposers should budget for a Performance Bond in the amount of a one year contract. The final need for such a bond, or the level of the bond, will be negotiated with the selected proposer.

All proposers must budget for professional liability insurance coverage for errors, omissions, commissions, negligence, incompetence and malfeasance. Such insurance must be maintained throughout any resulting contract.

**2. Budget Requirements**

Proposals must contain an itemized budget on the budget form included as Form #7 in Section IV, pages 27-28 of this RFP. All startup costs must be clearly identified as (one) 1 line item in the budget.

A budget narrative must be provided, explaining all costs contained in the budget. All **start up** costs must also be separately and clearly detailed in the budget narrative.

All other funding, including agency financial support and income from other sources must be identified. The program may not assess fees to inmates for services.

Inmates residing in Department-funded residential programs or elsewhere in the community are not eligible for assistance.

According to Section 4-114a-3(9) of the Contract Compliance regulations, every agency awarding a contract subject to the contract compliance requirements has an obligation to “aggressively solicit the participation of legitimate minority business enterprises as bidders, contractors, subcontractors and suppliers of materials.” “Minority business enterprise” is defined in Section 4-114a of the Connecticut General Statutes as a business wherein fifty-one percent or more of the capital stock, or assets, belong to a person or persons: “(1) Who are active in the daily affairs of the enterprise; (2) who have the power to direct the management and policies of the enterprises; and (3) who are members of a minority, as such term is defined in sub-section (a) of Section 32-9n.” “Minority” groups are defined in Section 32-9n of the Connecticut General Statutes as “ (1) Black Americans...(2) Hispanic American...(3) Women...(4) Asian Pacific Americans and Pacific Islanders; or (5) American Indians...” The above definitions apply to the contract compliance requirement virtue of Section 4-114a-1 (10) of the Contract Compliance Regulations.
