

Owner Occupied and Scattered Site Rehabilitation Programs

ADDENDUM ACKNOWLEDGEMENT

**Addendum # 2
April 18, 2016**

Project # 2250 Property Address: 4 Logan Place, Norwalk, CT

Addendum Description

The addendum modifies the Bid Specification and Drawings prepared by Martinez Couch and Associates, LLC and Consultants to the following particulars;

A. General

1. Addendum is issued to respond to request for information received during bid phase. Bidders are reminded that all requests for information should be directed to Mr. Richard Couch, P.E. of Martinez Couch and Associates, LLC.

Bidder Request for Information 1: Date: 04-13-2016

Is there any plan or requirement pertaining to gaining access to the left side of the property to do the propane tank installation and associated site work?

Is it acceptable with you and the owner to obtain access by removing and re planting shrubs along the front street property line to accomplish this work? This would allow us proper access without disturbing any of the front stone walks, plantings, or walls.

RFI – Response #1

All site conditions disturbed by construction activities must be restored to conditions prior to construction starting. The means and methods and sequence of construction are the responsibility of the general contractor. Removing and replanting shrubs along the front property line to accomplish the work is acceptable.

The bid due date is not extended by this addendum
