HURRICANE SANDY
MUNICIPAL SURVEY OF UNRESOLVED DAMAGE AND UNMET NEEDS

Directions: This survey seeks information regarding damage where other resources are not available to fully cover reconstruction or repair. To avoid the duplication of benefits, please include information regarding reconstruction and repair needs only if there are no other funds available (e.g. insurance, FEMA awards, SBA financing) or where there remains a funding gap.

Due to HUD's deadlines, responses are due March 22, 2013

Please submit your response to your Regional Coordinator or complete this survey online at <http://www.surveymonkey.com/s/GQLF76F>.

Contact information for the State's Regional Coordinators is available at:

<http://www.ct.gov/demhs/cwp/view.asp?a=3973&q=467626>

Your Regional Coordinator will also circulate information regarding upcoming Sandy Disaster Relief CDBG Question & Answer Sessions.
