

## Manchester Hartford Road Bikeway

Anticipated completion: Fall 2002

### Trail Highlights

This trail will consist of on-road bike lanes and a pedestrian way along Prospect Street and Hartford Road from Prospect Street to Elm Street, connecting the existing Charter Oak Greenway multi-use trail along I-384 and the historic district. From Elm Street, a 10-foot-wide multi-use trail along the south side of Hartford Road will connect the historic district with the Charter Oak Greenway at Main Street. Other amenities will include brick pavers, benches, bike racks, historic lighting and landscaping throughout. This project will overlap the Hartford Road reconstruction which is currently in design.

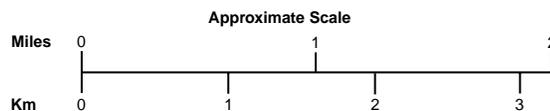

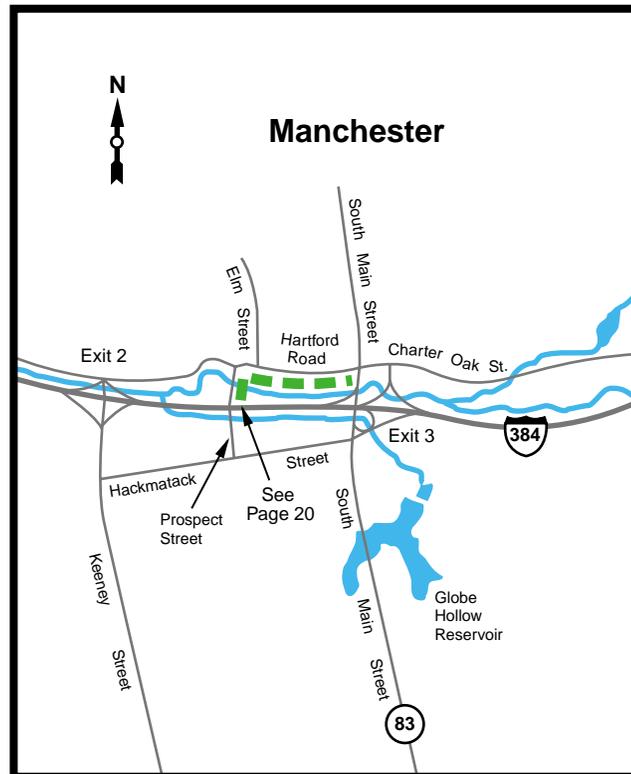

### Parking and Accessibility

There is no designated parking available for trail users.

**From I-384 East:** Take exit 3, at the end of the ramp, take a right on Route 83, Main Street, continue to the first traffic light and take a left. The trail is located on the south side of Hartford Road and continues to Elm Street.

**From I-384 West:** Take exit 3, go left at the end of the ramp onto Charter Oak Street. Go straight at the first traffic light crossing over Route 83, Main Street. The trail is located on the south side of Hartford Road and continues to Elm Street.
