

Torrington Still River Greenway

Anticipated Completion: Fall 2003

Trail Highlights

Upon completion, this 2.4-mile trail will begin at the Sinkhole Bridge on the Winsted Road (old Route 8) and head north along an abandoned rail line to the Winchester/Torrington town line, where it will connect to the Winchester section of the trail. Along the way the trail parallels the scenic Still River. The completed trail will be a total of 4.9 miles, with 2.5 miles in Winchester, and 2.4 miles in Torrington.

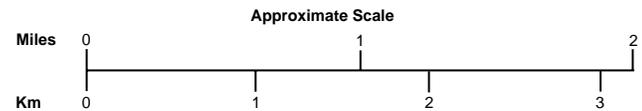

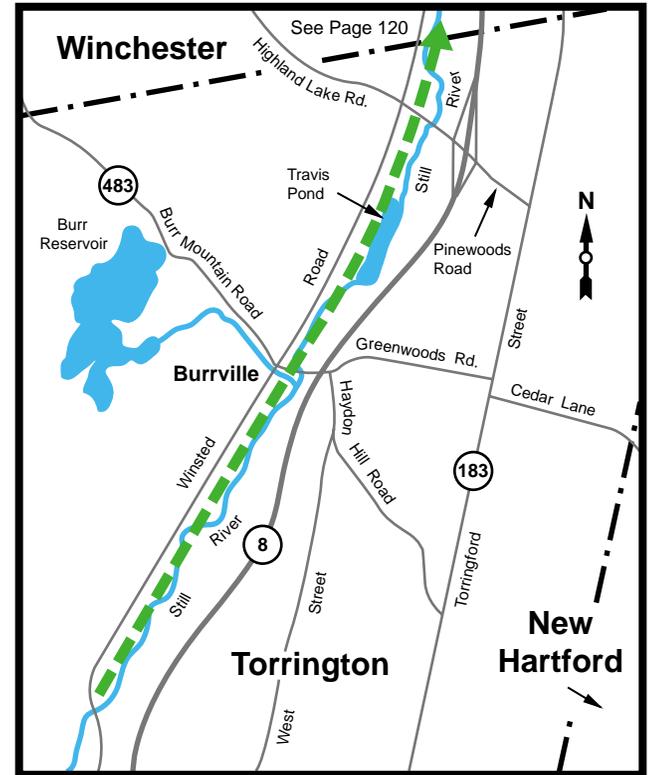

Parking and Accessibility

Parking to be determined.

From I-84: Take exit 19/20 to Route 8 North. From Route 8 North take exit 45 to Kennedy Drive. Take a left (west) onto Kennedy Drive and then turn right (north) onto Winsted Road.

From Route 8 South: Take exit 46 and turn right (west) onto Pinewoods Road. Then take a left (south) onto Winsted Road.
