

Divisible load permits are issued annually and by the month. Permits issued annually become effective May 1st and expire on April 30th. Divisible load permits issued annually are renewed during the month of April.

The annual permit fee is seven dollars (\$7.00) per thousand (1,000) pounds or fraction thereof, of the gross weight to be shown on the permit. The fee for permits purchased by the month is ten percent (10%) of the annual fee, for each calendar month or fraction thereof. Permits are vehicle specific and the fee is not prorated and/or refundable.
