

CTtransit routes impacted by service change

CTtransit New Britain/Bristol service area

501 Arch Street	Increased hours and days of service (added Sundays). Added stop at Downtown New Britain Station.
502 Black Rock Avenue	Increased hours and days of service (added Sundays). AM peak express service between New Britain and Bristol will be replaced by the 102 Hartford/New Britain-Bristol . Part-time routing to West Main Street will be served by 503 Corbin Avenue .
503 Corbin Avenue	Increased hours and days of service (added Sundays). Will no longer serve Plainville Library. Will operate in both directions on Farmington Avenue with discontinued outbound service on Cooke Street to better coordinate with services connecting to Plainville Center, specifically the 102 Hartford/New Britain-Bristol .
505 Burritt Street	Increased hours and days of service (added Sundays). Will run hourly to better coordinate with the pulse in downtown New Britain. Added stop at Downtown New Britain Station.
506 Farmington Avenue	Increased hours and days of service (added Sundays). Added stop at the Batterson Park & Ride. Route simplified by removing part-time routing to the Hospital for Special Care which will be served by the 505 Burritt on all trips.
507 Oak Street	Increased hours and days of service (added Sunday service). Will serve Country Club Road in place of the 508 Stanley and will still serve Eddy Glover Blvd. Westfarms service removed and replaced by the 144 Wethersfield/Westfarms via Newington Center & Brittany Farms and the 128 Hartford/Westfarms-New Britain via Stanley Street .
508 Stanley Street	Replaced by 128 Hartford/Westfarms-New Britain via Stanley Street , 144 Wethersfield/Westfarms via Newington Center & Brittany Farms & 507 Oak Street .
509 East Street	Increased hours and days of service (added Sundays). Will operate via East Main Street instead of Martin Luther King Drive, Smalley Street & Stanley Street and via Belden Street to East Street instead of Goodwin Street, Pleasant Street & East Street south of Belden Street. Added stop at Downtown New Britain Station.
510 South Street	Increased hours and days of service (added Sundays). Will operate via South Street to CTDSS instead of Roosevelt Street, Edgewood Avenue & Fulton Street; via South St. to Rocky Hill Avenue instead of Pike Street & Halsey Road; Kelsey Street to Stanley Street instead of East Street & Ellis Street and via Chestnut Street to Main Street instead of Columbus Blvd, Pearl Street, Franklin Square & Main Street.
512 South Main Street-Berlin Turnpike	Increased hours and days of service (added Sundays). All trips to Berlin Turnpike operate via Walmart Cromwell. The bus stop inside Stop & Shop Plaza in Berlin is discontinued.
541 Bristol Local	Increased hours and days of service (added Sundays). Route simplified by removing Gaylord Towers which will now be served by its own new route 543 West Street . Service to Birchwood Manor and Bristol Senior Center will continue to operate bi-hourly, but will be provided in both directions. Connecting services will be located on North Main @ Bristol City Hall instead of McDonalds on Riverside.
542 Goodwin Street	New route providing direct service to Bristol Hospital from Bristol, 7 days a week.
543 West Street	New route serving Gaylord towers on all trips, 7 days a week.

CTtransit Hartford service area

31 Park Street-New Park Avenue	Provides a connection to Parkville and Flatbush Avenue Stations.
