Design-Build Contract Request for Statements of Qualifications

The Connecticut Department of Transportation (Department) will be seeking to retain a Contractor consisting of a Construction firm and a Design firm to execute a Design-Build Contract for the design and construction of Bridge Nos. 03761, 03762, 03764, and 03765, Route 8 Northbound and Southbound over Lindley Street, Parking Lot, and Capitol Avenue in Bridgeport, Connecticut. The selected Contractor will provide Design and Construction services for the following:

Four (4) superstructure replacements (6 spans total); Filling of five (5) spans on two of the bridges (10 spans total); Major retaining wall construction; Substructure repairs; Ramp and local road construction; traffic signal installations; Drainage installation; Utility coordination; and other related activities.

This solicitation is open to all construction contractors prequalified by the Department in both: Group No. 7 - Road Construction and Rehabilitation for Limited access highways, freeways, and major reconstruction of non-freeway state routes; and Group No. 10 – Major bridges and must qualify for Scope Code “L”. Construction firms interested in participating in this solicitation should initiate the prequalification process as soon as possible. There are no specific CTDOT prequalification requirements for the Consulting Engineering firms. However, the qualifications of these firms, related to the requirements of the project will be evaluated through the qualification review process.

All interested parties must obtain the requirements for the statements of qualifications from the Solicitation Letter and the Design-Build Procurement Request for Statements of Qualifications, documents for State Project Number 15-363 Route 8/25 Superstructure replacements and Related Work. On the advertisement date, this document will be found at the Department of Administrative Services (DAS), State Contracting Portal for Department of Transportation projects: ConnDOT Bids and RFPs (State Contracting Portal-Transportation, Department of) (http://www.biznet.ct.gov/scp_search/BidResults.aspx?groupid=64). It contains details and provides information regarding the project requirements and the selection process.

If there are any questions or issues related to obtaining the necessary documents please send an e-mail to CTDOT.Design.Build@ct.gov.
